NEBRASKA.

CAPITAL, LINCOLN.

Population of State, 1,058,910.

(Census of 1890.)

Males	572,824	Native	856,368
Females	486,086	Foreign	202,542
White	1,046,888	Chinese	216
Colored	8,913	Indians	2,893

Number of Physicians, 1,595.

Nebraska extends from 40 degrees to 43 degrees north latitude, and from 95 degrees 13 minutes to 104 degrees west longitude, and is bounded on the north by South Dakota, on the south by Kansas and Colorado, on the east by Iowa and Missouri, and on the west by Colorado and Wyoming. It comprises an area of 75,995 square miles, or 48,636,800 acres. The principal rivers are the Missouri, which forms part of the northern and all the eastern boundary, the Niobrara, and the Nebraska or Platte. The climate is salubrious, the mean annual temperature as observed at Omaha being 49.28 degrees, that of summer 74.26 degrees, and that of the winter 23.36 degrees. The average annual rainfall is about 26 inches.

The following table shows increase in population from 1860 to 1890:

1860.....	28,841	1880.....	452,402
1870.....	122,993	1890.....	1,058,910

There are three medical colleges in Nebraska. The Omaha Medical College, Omaha; the Medical Department, Cotner University, Lincoln, and the John A. Creighton Medical College, Omaha.

Rate of mortality in Nebraska, as computed from the U. S. Census of 1890.

Population.	Deaths in 1890.	Rate per 1000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,058,910	8,445	7.99	,354	91	7.98	7.57

Total number of deaths from consumption during 1890 was 604,

The postoffice address is shown in **Display Type**, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation and the last number the year in which diploma was granted.

which was at the rate of .57 per 1,000 of population, or 71.52 per 1,000 of total deaths.

For list of medical colleges, see page 101.

MEDICAL INSTITUTIONS.

Bishop Clarkson Memorial Hospital—Established 1882. Capacity 25. 1716 Dodge, Omaha. Private. Physician-in-charge, J. E. Sumners, Jr.

Creighton Memorial St. Joseph's Hospital—Capacity 300. 10th and Castellar, Omaha. Staff of physicians. In charge of Sisters of St. Francis.

Dr. Grant Freeborn's Private Sanatorium—4th and High, Beatrice. Physician-in-charge, Grant Freeborn.

Douglas County Hospital—Established 1891. Capacity 20. Ambulance service. 40th and Poppleton ave., Omaha. Superintendent, G. M. Wright. Matron, Mrs. M. Howell.

Fremont Hospital—Established 1891. Capacity 8. Fremont. Surgeon-in-charge, George Haslam.

Hospital for Chronic Insane—Established 1888. Capacity 538. Hastings. Physicians-in-charge, Drs. Damrel and Steele. Matron, Jennie E. Lawson.

Emanuel Hospital—Established 1890. Capacity 30. 34th and Meredith, Omaha. Staff of physicians. Matron, Sister B. Svenson.

Madison Private Hospital—Established 1892. Capacity 14. Madison. Physician-in-charge, W. F. Hutchinson.

M. E. Hospital—Established 1891. Capacity 30. 419 S. 20th, Omaha. Private. Physician-in-charge, A. F. Jonas. Superintendent, Miss A. Pfrimmer.

Nebraska Hospital for the Insane—Established 1870. Capacity 383. Three miles southwest of Lincoln. Superintendent, L. J. Abbott, M. D. Matron, Mrs. Mary Thomas.

Norfolk Hospital for Insane—Established 1888. Capacity 204. Norfolk. Superintendent, J. H. Mackay, M. D. Steward, C. D. Jenkins.

Quality Hill—Established 1882. Capacity 10. Silver and 9th, Ashland. Private. Physician-in-charge, A. S. Mansfelde. Matron, Mrs. K. Du Bois.

St. Francis Hospital—Established 1880. Capacity 50. East 15th, Columbus. Private. Physician-in-charge, C. D. Evans. Superior, Sister Hanrica.

St. Francis Hospital—Established 1887. Capacity 50. Grand Island. Staff of physicians. Superior, Sister M. Augustine.

St. Paul Private Hospital—St. Paul. Physicians-in-charge, O. Grothan and Georgina Grothan.

Tabitha Hospital—Established 1889. Capacity 40. Staff of physicians.

State Board of Health—Secretary, F. D. Haldeman, M. D., Ord.

John A. Creighton Medical College—Omaha. Secretary, DeWitt C. Bryant, M. D.

Medical Department Cotner University—Omaha. Secretary, W. S. Latta, M. D.

Omaha Medical College, Omaha—Secretary, W. O. Bridges, M. D.

MEDICAL SOCIETIES.

Lincoln Medical Society—Secretary, A. D. Wilkinson.

Loup Valley District Medical Society—O. Grothan, St. Paul.

Medical Society of the Missouri Valley—Secretary, Donald Macrae, Jr., 541 Broadway, Council Bluffs, Iowa.

Missouri Valley Homoeopathic Medical Association—Secretary, Wm. A. Humphrey, Plattsmouth.

Nebraska State Eclectic Medical Association—Meets annually in May. Secretary, F. L. Willmarth, Eagle.

Nebraska State Homoeopathic Medical Society—Meets annually in May. Secretary, C. V. Basten, Kearney.

Nebraska State Medical Society—Meets annually in May. Secretary, George Wilkinson, Omaha.

Omaha Homoeopathic Medical Society—Secretary, J. E. Mann, Paxton Blk.

Omaha Medical Club—Secretary, W. H. Wilson.

Omaha Microscopical Club—Secretary, George Wilkinson, Karbach Bldg.

State Line Medical Society—Secretary, J. F. Bradshaw, Superior.

Western Hahnemann Club—Secretary, C. G. Sprague, 1701 Capitol ave., Omaha.

Western Society of Ophthalmologists, Otologists, Laryngologists and Rhinologists—Next annual meeting second Thursday of April, 1897, at St. Louis, Mo. President, Adolf Alt, St. Louis, Mo.; Vice-President, B. E. Fryer, Kansas City, Mo.; Secretary, Hal Foster, Kansas City, Mo.; Treasurer, W. L. Dayton, Lincoln, Neb.

York Co. Medical Society—Secretary, Robert McConaughy, York.

MEDICAL LAWS OF NEBRASKA.

An Act to Regulate the Practice of Medicine in the State of Nebraska.
Be it Enacted by the Legislature of the State of Nebraska:

Section 1. There shall be established in the State of Nebraska a board to be styled the State Board of Health. Said board shall consist of the governor, attorney-general, and superintendent of public instruction, and the governor shall be ex-officio chairman of said board.

2. Said board shall meet upon the call of the governor, and within thirty days after the approval of this act, and shall meet thereafter as often and at such times as the governor may from time to time designate.

3. Said board shall, within sixty days after the approval of this act, appoint four secretaries, who shall be graduated physicians of at least seven years' consecutive practice, and who shall be, at the time of their appointment, actually engaged in practice in the State of Nebraska, one of whom shall be appointed for the term of one year, one for the term of two years, and one for the term of three years, and one for term of four years, and thereafter it shall be the duty of said board to appoint, or reappoint, one secretary every year as the terms of those heretofore appointed shall expire, but each secretary shall continue in office until his successor shall have been so appointed. Said appointments shall be made so that, of said secretaries, two shall be physicians of the so-called regular school, one of the so-called eclectic school, and one of the so-called homoeopathic school.

4. Said secretaries shall have power, and it shall be their duty, to assist and advise said board in the performance of its duties as prescribed by this act, to summon witnesses and take testimony in the same manner as witnesses are summoned and depositions taken under the code of civil procedure, and to report said testimony to the board, together with their findings of fact and recommendations on all matters coming before said board, requiring evidence for their determination, except as hereinafter provided.

5. It shall be the duty of said board to see that all the provisions of this act are strictly enforced; to grant certificates as herein provided, and to cause to be prosecuted all violations of this act. Said board shall have and use a common seal, and may make and adopt all necessary rules, regulations and by-laws not inconsistent with the constitution of this State or of the United States, to enable it to perform its duties and transact its business under the provisions of this act.

6. A majority of said board shall constitute a quorum for the transaction of business.

7. It shall be unlawful for any person to practice medicine, surgery, or obstetrics, or any of the branches thereof, in this State, without first having obtained and registered the certificate provided for by this act; and no person shall be entitled to the certificate herein provided for, unless he shall be a graduate of a legally chartered medical school, or college in good standing; said qualifications to be determined by the board; Provided, however, That nothing in this act shall be construed to prevent physicians residing in other States from visiting patients in consultation with resident physicians who have complied herewith.

8. The term medical school, or college in good standing, shall be defined as follows: A medical school or college requiring a preliminary examination for admission to its courses of study, and which requires as a requisite for the granting of the degree of M. D. attendance on at least three courses of lectures of six months each, no two of said courses to be held within one year, and having a full faculty of professors in all the different branches of medical education, to wit: Anatomy, physiology, chemistry, toxicology, pathology, hygiene, materia medica, therapeutics, obstetrics, gynaecology, principles and practice of medicine and surgery, and clinical instruction in the last two named; Provided, That this three-year clause shall not apply to degrees granted prior to July, 1891.

9. It shall be the duty of all parties intending to practice medicine, surgery, or obstetrics in the State of Nebraska, before beginning the practice thereof to present his diploma to said board, together with his affidavit that he is the lawful possessor of the same, that he has attended the full course of study required for the degree of M. D., and that he is the person therein named. Such affidavit may be taken before any person authorized to administer oaths, and the same shall be attested under the hand and official seal of such official, if he have a seal, and any person swearing falsely in such affidavit shall be guilty of perjury and subject to the penalty therefor.

10. If upon investigation of said diploma and affidavit, the applicant shall be found entitled to practice, there shall be issued to said applicant the certificate of said board, under its seal and signed by its secretaries, stating such fact; and it shall be the duty of the applicant, before practicing, to file such certificate, or a copy thereof, in the office of the county clerk of the county in which he or she resides, or in which he or she intends to practice. Such certificate or copy shall be filed by the county clerk and by him recorded in a book to be kept for that purpose, properly indexed, to be called the "Physicians' Register;" and for such services the county clerk shall receive from the applicant the same fees as are allowed to the register of deeds for the recording of conveyances.

11. All physicians who shall be engaged in practice at the time of the passage of this act shall, within six months thereafter, present to said board their diplomas and affidavits, as hereinbefore provided, or in the case of persons not graduates, who were entitled to registration and practice under the provisions of the act entitled "An act to regulate the practice of medicine in the State of Nebraska," approved March 3, 1881, an affidavit showing them to have been entitled to so register and practice, and a certified transcript of their registration under said act; and upon their doing so, shall be entitled to the certificate herein provided, which they shall file with the county clerk, as herein provided; Provided, That no one having the qualifications required in and having complied with said act of March 3, 1881, shall be liable to prosecution for failure to comply with this act until the expiration of said period of six months.

12. It shall be the duties of said secretaries to keep a full record of all the acts and proceedings of said board and of all certificates granted thereby, together with the proof upon which such certificates are granted, but when proof in any case shall have been on file in the office of said board for ten days, said certificate may be issued by said secretaries without a vote of the board, if no protest has been filed, and if in their opinion said proof complies with the provisions of this act.

13. Any person who shall have obtained the certificate provided by this act and shall remove to another county, shall, before the entering upon the practice of his profession in such other county, cause said certificate to be filed and recorded in the office of the county clerk of the county to which he has removed.

14. The board may refuse certificates to persons guilty of unprofessional or dishonorable conduct, and it may revoke certificates for like cause; Provided always, That they have given the person an opportunity to be heard in his or her defense.

15. No person shall recover in any court in this State any sum of money whatever for any medical, surgical, or obstetrical services unless he shall have complied with the provisions of this act, and is one of the persons authorized by this act to be registered as a physician.

Nebraska.

16. Any person not possessing the qualifications for the practice of medicine, surgery, or obstetrics required by the provisions of this act, or any person who has not complied with the provisions of this act, who shall engage in the practice of medicine, surgery, or obstetrics, or any of the branches thereof, in this State, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined in any sum not less than fifty dollars nor more than three hundred dollars, and costs of prosecution, for each offense, and shall stand committed until such fine and costs are paid.

17. Any person shall be regarded as practicing medicine within the meaning of this act who shall operate on, profess to heal, or prescribe for, or otherwise treat any physical or mental ailment of another. But nothing in this act shall be construed to prohibit gratuitous services in case of an emergency, and this act shall not apply to commissioned surgeons in the United States army and navy, nor to nurses in their legitimate occupations, nor to the administration of ordinary household remedies.

18. Any itinerant vendor of any drug, nostrum, ointment, or appliance of any kind, intended for the treatment of any disease or injury, or who shall by writing, printing, or any other method, publicly profess to cure or treat a disease, or injury, or deformity by any drug, nostrum, manipulation, or other expedient, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not less than fifty dollars nor more than one hundred dollars, or be imprisoned in the county jail for a period of not less than thirty days, nor more than three months, or both, in the discretion of the court, for each offense.

19. The secretaries of said board of health shall receive for their services the sum of five dollars, to be paid by every applicant for a certificate, hereunder, at the time of making his application, and for their services for the taking of testimony the same fees as are provided for notaries public for similar services, and they shall receive no other fees or compensation; Provided, That applicants, under Section 11 of this act, shall pay the sum of one dollar only.

20. That Section 1 to 11, inclusive, of chapter 55 of the Compiled Statutes of Nebraska, entitled, "An act to regulate the practice of medicine," approved March 3, 1881, and amended as heretofore stated, and all the acts inconsistent herewith, are hereby repealed.
Approved March 27, 1891.

NEVADA.

CAPITAL. CARSON CITY.

Population of State, 45,761.

(Census of 1890.)

Males	29,214	Native	31,055
Females	16,547	Foreign	14,706
White	39,084	Chinese	2,836
Colored	242	Indians	3,599

Number of physicians, 48.

Nevada extends from 114 degrees to 120 degrees west longitude, and from 35 degrees to 42 degrees north latitude, and is bounded on the north by Oregon and Idaho, and on the southwest and west by California, and on the east by Utah and Arizona. It comprises an area of 109,740 square miles, or 70,233,609 acres. The largest rivers of Nevada are the Colorado, Humboldt, Truckee, Quimis and Reese. The climate is subject to great extremes, the winters being very cold, the summers hot. The atmosphere is dry, with but little rain or snow. The mean annual temperature is 54.13 degrees; that of the summer 75.18 degrees, and of the winter 34.55 degrees.

The postoffice address is shown in **Display Type**, the name of county in which it is located, immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

The following table shows population for 20 years:

1870.....	42,491	1890.....	45,761
1880.....	62,266		

The State contains many medicinal springs.

Rate of mortality in Nevada, as computed from the U. S. Census of 1890.

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
45,761	434	9.48	414	20	10.59	3.00

The number of deaths from consumption during 1890 was 35, which was at the rate of .77 per 1,000 of population, or 80.65 per 1,000 of total deaths.

MEDICAL INSTITUTIONS.

Nevada Hospital for Mental Diseases—Established 1882. Capacity 300. Two miles east of Reno. Physician-in-charge, H. Bergstein. Matron, Mrs. F. M. Duffy.

Sisters' Hospital—Virginia City*.

State Board of Health—Secretary, J. A. Lewis, Reno.

MEDICAL SOCIETIES.

Nevada State Medical Society—Next semi-annual meeting, July 13, 1896, at Reno—President, P. T. Phillips, Reno; Vice-President, P. Manson, Virginia City; Secretary, T. P. McDonald, M. D., Virginia City.

MEDICAL LAWS OF NEVADA.

An Act to Prevent the Practice of Medicine and Surgery by Unqualified Persons.

The People of the State of Nevada, represented in Senate and Assembly, do enact as follows:

Section 1. No person shall practice medicine or surgery in this State who has not received a medical education and a diploma from some regularly chartered medical school, said school to have a bona fide existence at the time when said diploma was granted.

2. Every physician or surgeon, when about to take up his residence in this State, or who now resides here, shall file for record with the county recorder of the county in which he is about to practice his profession, or where he now practices it, a copy of his diploma, at the same time exhibiting the original, or a certificate from the dean of the medical school of which he is a graduate, certifying to his graduation.

3. Every physician or surgeon, when filing a copy of his diploma or certificate of graduation, as required by section 2 of this act, shall be identified as the person named in the papers about to be filed, either by affidavit of two citizens of the county or by his affidavit taken before a notary public or commissioner of deeds for this State, which affidavit shall be filed in the office of the county recorder.

4. Any person practicing medicine or surgery in this State without complying with sections 1, 2 and 3 of this act shall be punished by a fine of not less than fifty dollars (\$50), nor more than five hundred dollars (\$500), or by imprisonment in the county jail for a period of not less than thirty (30) days nor more than six (6) months, or by both fine and imprisonment, for each and every offense; and any person filing, or attempting to file, as his own, the diploma or certificate of graduation of another, or a forged affidavit of identification, shall be guilty of a felony, and, upon conviction, shall be subject to such fine and imprisonment as is made and provided by the statutes of this State for said offense.

Nevada.

R. L. POLK & CO.'S

Nevada.

5. It shall be the duty of the police, sheriff or constable to arrest all persons practicing medicine or surgery in this State who have not complied with the provisions of this act, and the officer making the arrest shall be entitled to one-half of the fine collected.

6. No portion of this act shall apply to any person who, in an emergency, may prescribe or give advice in medicine or surgery in a township where no physician resides, or where no physician resides within convenient distance; nor to those who have practiced medicine and surgery in this State for a period of ten years next preceding the passage of this act, nor to persons prescribing in their own family.

7. This act shall go into force sixty (60) days after its final passage.

Approved January 28th, 1875.

The following supreme court decisions relating to the above act are given in the digest of Nevada Reports and Lawyer's Circuit Court Reports (page 297, 1878):

1. Act to prevent the practice of medicine and surgery by unqualified persons constitutional. In constructing section 6 of said act, which provides that it shall not apply "to those who have practiced medicine or surgery in this State for a period of ten years next preceding the passage of this act," held that said provision is not in violation of section 21 of art. iv. of the State constitution. 10 Nev., 323.

2. Idem—How far constitutional. Held, that there is some reason for requiring ten years' practice in this State as a qualification for the continued practice of medicine and surgery; but there is no sort of reason for requiring that practice to have extended over the particular ten years immediately preceding the enactment of the law, and to this extent the law is unconstitutional, because in violation of the fourteenth amendment to the federal constitution; but omitting the words "next preceding the passage of this act," leaves a good and perfect statute. (By Beatty, J.)

3. Idem. Held, that said section is not in conflict with any of the provisions of the State or federal constitutions. (By Hawley, C. J.)

NEW HAMPSHIRE.

CAPITAL, CONCORD.

Population of State, 376,530.

(Census of 1890.)

Males ...	186,566	Native ...	304,190
Females ...	189,964	Foreign ...	72,340
White ...	375,740	Chinese ...	60
Colored ...	614	Indians ..	16

Number of Physicians, 669.

New Hampshire is bounded on the north by Canada, on the south by Massachusetts, on the east by Maine and the Atlantic ocean, and on the west by Vermont, and extends from 42 degrees 41 minutes to 45 degrees 11 minutes north latitude, and from 70 degrees 40 minutes to 72 degrees 28 minutes west longitude. It comprises an area of 9,280 square miles, or 5,939,200 acres.. The principal rivers of New Hampshire are the Connecticut, Merrimac, Piscataqua, Saco and Androscoggin.

The following table shows the increase in population for 70 years:

1820.....	244,022	1860.	326,073
1830.....	269,328	1870.....	318,300
1840.....	284,574	1880... ..	346,991
1850.....	317,976	1890.....	376,530

There are several medicinal springs in the State.

Dartmouth College Medical Department, at Hanover, is the only medical college in New Hampshire.

Rate of mortality in New Hampshire, as computed from the U. S. Census of 1890.

Population.	Deaths in 1890	Rate per 1,000	White	Colored	Rate per 1,000, White.	Rate per 1,000, Colored.
376,530	7,074	18.79	7,057	17	18.72	24.64

Total number of deaths from consumption during 1890 was 729, which was at the rate of 1.93 per 1,000 of population, or 103.05 per 1,000 of total deaths.

MEDICAL INSTITUTIONS.

Roby, Laconia; Vice-President, Chauncey Bishop, Bristol; Secretary, A. F. Sumner, 43 Green, Concord; Treasurer, C. E. Dodge, Manchester; Librarian, R. S. True, Manchester.

New Hampshire Medical Society—Next annual meeting June, 1896, at Concord. President, E. F. McQueston, Nashua; Vice-President, A. P. Richardson, Walpole; Secretary, G. P. Conn, Concord; Treasurer, M. H. Felt, Hillsboro.

Stafford District Medical Society—Secretary, C. A. Fairbanks, 360 Center ave., Dover.

White Mountain Medical Association—Secretary, C. R. Gibson, Woodsville.

MEDICAL LAWS OF NEW HAMPSHIRE.

General Laws Relating to the Practice of Medicine, Surgery and Dentistry.

Section 1. It shall not be lawful for any person to practice medicine, surgery or midwifery, unless such person shall have obtained a license from some medical society organized under the laws of this State, stating that he is qualified in the branches of the medical profession named in said license.

2. Every medical society, organized under the laws of this State, shall, at such time and in such manner as may be prescribed in its charter or by-laws, elect a board of censors, consisting of three members, who shall be elected for such term as may be prescribed in said charter or by-laws, which board shall have authority to examine and license persons to practice medicine, surgery or midwifery. The board shall issue licenses without examination to all persons who furnish evidence by diploma from some medical school authorized to confer degrees in medicine and surgery, when said board is satisfied that the person presenting such diploma has obtained it after pursuing some prescribed course of study and upon due examination. Said board shall also have power, upon due notice and hearing, to revoke any license granted by said board when improperly obtained, or when the holder has, by conviction for crime, or any other cause, ceased to be worthy of public confidence. Such license or revocation shall be recorded by the clerk of said medical society.

3. It shall not be lawful for any person, who is not duly authorized to practice medicine or surgery, to practice dentistry unless such person has received a dental degree from some college, university or medical school authorized to confer the same, or shall have obtained a license from the New Hampshire dental society.
4. Said dental society shall, at such time and in such manner as may be prescribed in its charter or by-laws, elect a board of censors, consisting of three members, who shall be elected for such term as may be prescribed by the society, which board shall have authority to examine and license persons to practice dentistry. The license shall be recorded by the clerk of said society.
5. No person receiving a license as herein provided shall be authorized to practice until he shall have procured the same to be recorded by the clerk of the court in the county where he resides, if a resident of this State; if not a resident of this State, in the county where he intends to practice. Such licenses shall be recorded in a book provided for that purpose, and which shall bear the title and inscription of the medical and dental register of _____ county, and the fee for recording the same shall be fifty cents.
6. Each person receiving a license upon examination shall pay, for the use of the society granting the same, the sum of five dollars; upon diploma, one dollar.
7. If any person shall practice medicine, surgery, midwifery or dentistry without being duly authorized as provided in this chapter, or after his license is revoked, he shall be punished by fine of not more than three hundred dollars for each offense.
8. The provisions of the preceding sections shall not apply to persons who have resided and practiced their profession in the town or city of their present residence during all the time since January first, eighteen hundred and seventy-five, nor to physicians residing out of the State, when called into the State for consultation with duly licensed physicians, or to attend upon patient in the regular course of their business.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

NEW JERSEY.

CAPITAL, TRENTON.

Population of State, 1,444,933.

(Census of 1890.)

Males	720,819	Native	1,115,958
Females	724,114	Foreign	328,975
White	1,396,581	Chinese	630
Colored	47,638	Indians	84

Number of Physicians, 1844.

New Jersey extends from 38 degrees 56 minutes to 41 degrees 30 minutes north latitude, and from 73 degrees 55 minutes to 75 degrees 32 minutes west longitude, and is bounded on the north by New York, on the south by Delaware bay, on the east by the Atlantic ocean, and on the west by Pennsylvania. It comprises an area of 7,576 square miles, or 4,848,640 acres.

The rivers which drain New Jersey are the Hudson, Delaware, Hackensack, Passaic and Raritan, besides many smaller streams.

The climate is mild, being tempered by the vicinity of the ocean. The mean annual temperature, as observed at Newark during a period of 24 years, was 50.50 degrees; that of the summer 70.35 degrees, and of the winter 30.75 degrees. The average annual rainfall is about 45 inches.

The following table shows increase in population for 70 years:

1820.....	277,426	1860.....	672,035
1830.....	320,823	1870.....	906,096
1840.....	373,306	1880.....	1,131,116
1850.....	489,555	1890.....	1,444,933

Rate of Mortality in New Jersey, as computed from the U. S. Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,444,933	30,344	21.00	29,000	1,344	20.76	27.79

Total number of deaths from consumption during 1890 was 3,388, which was at the rate of 2.34 per 1,000 of population, or 112.65 per 1,000 of total deaths.

MEDICAL LAWS OF NEW JERSEY.**AN ACT TO REGULATE THE PRACTICE OF MEDICINE AND SURGERY, TO LICENSE PHYSICIANS AND SURGEONS, AND TO PUNISH PERSONS VIOLATING THE PROVISIONS THEREOF.**

Approved May 22, 1894.

CHAPTER CCCVI.

An Act to Regulate the Practice of Medicine and Surgery, to License Physicians and Surgeons, and to Punish Persons Violating the Provisions Thereof.

Section 1. Be it enacted by the Senate and General Assembly of the State of New Jersey, That the governor shall appoint, by and with the advice and consent of the senate, a board of examiners to be known as the State board of medical examiners, said board to consist of nine members, who shall be persons of recognized professional ability and honor; the terms of office of said board shall be three years, or until their successors are appointed; provided, however, that the members of the board first appointed shall be divided into three classes, each class to consist of three persons; the first class shall hold office under said appointment for one year, the second for two years and the third for three years from the date of their appointment, and thereafter each member shall be appointed for a term of three years, and provided further, that said board shall consist of five old-school physicians, three homeopathic and one eclectic; said appointees, shall, within thirty days after the receipt of the respective commissions, take, subscribe and file, in the office of the secretary of state, the oath or affirmation prescribed by law.

2. And be it enacted, That said board shall elect a president, a secretary and a treasurer from its membership; it shall have a common seal, and its president shall be empowered to issue subpoenas and to administer oaths in taking testimony in any matter pertaining to the duties of said board; it shall make and adopt all necessary rules, regulations and by-laws not inconsistent with the laws of this State or of the United States, whereby to perform the duties and to transact the business required under the provisions of this act.

3. And be it enacted, That said board shall hold meetings for examinations at the capitol building of this State on the third Tuesday of June and September of each year, and at such other times and places as the board may deem expedient; said board shall keep an official record of all its meetings, and an official register of all applicants for a license to practice medicine and surgery in this State; said register shall show the name, age, nativity, last and intended place of residence, of each candidate, the time he or she has spent in obtaining a competent common-school education, and in medical study, in or out of medical school, and the names and location of all medical schools or examining and licensing boards which have granted said applicant any degree or certificate of attendance upon lectures upon medicine and surgery or State examinations; said register shall also show whether said applicant was examined, licensed or rejected under this act, and said register shall be prima facie evidence of all matters therein contained.

4. And be it enacted, That all persons hereafter, commencing the practice of medicine or surgery in any of its branches in this State apply to said board for a license so to do; applicants for examination shall present to the secretary of this board, at least ten days before the commencement of the examination at which he or she is to be examined, a written application on a form or forms provided by said board, together with satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a competent common-school education, and has either received a diploma conferring the degree of doctor of medicine from some legally-incorporated medical college (which in the opinion of said board was in good standing at the time of issuing said diploma) in the United States, or a diploma or license conferring the full right to practice all the branches of medicine and surgery in some foreign country, and has also studied medicine four years, including three courses of lectures in different years in some legally incorporated American or foreign medical college or colleges prior to the granting of said diploma or foreign license; provided, however, that two courses of medical lectures, both of which shall be either begun or completed within the same calendar year, shall not be considered to satisfy the above requirement; and if said application is approved and the said applicant shall have deposited the sum of twenty-five dollars with the treasurer of such board as an examination fee, which said sum shall be returned to such applicant in case of failure to pass such examination, the applicant shall sign his

or her name opposite a number in a book kept for that purpose by the secretary, and shall mark his or her examination paper with said number and shall be known to the members of said board only by said number until his or her papers have been examined and marked; applicants examined and licensed by or who are or have been members of State examining and licensing boards of other States, upon the payment of fifty dollars to the treasurer of said board, and on filing with the secretary of said board a copy of his or her license or certificate, certified by the affidavit of the president and secretary of such board, showing also that the standard requirements of said board at the time of said license or certificate was issued substantially the same as that required by the said board, and of his or her affidavit as to the personality thereof, may be granted a license by said board without further examination thereby.

5. And be it enacted, That all examinations shall be written in the English language, and the questions and answers shall be, except in materia medica and therapeutics, such as can be answered in common by all schools of practice; if the applicant intends to practice homoeopathy or eclecticism, the members of said board of those schools respectively shall examine said applicant in the materia medica and therapeutics of the school in which such applicant intends to practice; the examinations shall be in the following subjects, namely, materia medica and therapeutics; obstetrics and gynaecology practice of medicine, including diseases of the skin, nose and throat; surgery, including surgical anatomy and diseases of the eye, ear and genito-urinary organs, anatomy, physiology, chemistry, histology, pathology, bacteriology, hygiene, medical jurisprudence, and in such other subjects as the board may decide; all examinations shall be both scientific and practical, and of sufficient severity to test the candidate's fitness to practice medicine and surgery; if said examination is satisfactory, the board shall issue a license, entitling the applicant to practice medicine and surgery in this State: the votes of all examiners shall be yes or no, and written with their signatures upon the backs of the examination papers of each candidate; said application and examination papers shall be deposited in the State library, in the capitol building, and they shall be prima facie evidence of all matters therein contained; all licenses shall be signed by the president and secretary of the board, and shall be attested by the seal thereof.

6. And be it enacted, That the board may refuse to grant or may revoke a license for the following causes, to wit, chronic and persistent inebriety; the practice of criminal abortion; conviction of crime involving moral turpitude or for publicly advertising special ability to treat or cure chronic and insurable diseases; or where any person shall present to this board any diploma, license or certificate that shall have been illegally obtained, or that shall have been signed or issued unlawfully or under fraudulent representations; in complaints for violating the provisions of this section, the accused person shall be furnished with a copy of the complaint, and given a hearing before said board in person or by attorney; and any person, after such refusal or revocation of license, who shall attempt or continue the practice of medicine shall be subject to the penalties hereinafter prescribed.

7. And be it enacted, That the person so receiving said license shall file the same, or a certified copy thereof, with the clerk of the county in which he or she resides, and said clerk shall file said certificate or copy thereof and enter a memorandum thereof, giving the date of said license, with the name of the person to whom the same is issued, and the date of said filing, in a book to be provided by this board and to be kept for that purpose, and for which registry the said county clerk shall be entitled to demand and receive from each person registering the sum of one dollar; in case the person so licensed shall move into another county of this State, he or she shall procure from the said clerk a certified copy of such registration, and then file the same with the clerk of the county to which he or she shall remove, and the said clerk shall file and enter the same with like effect as if the same was an original license, and for which registry the said clerk shall be entitled to demand and receive the sum of one dollar; and each county clerk in the counties of this State shall, upon the last day of November of each year, furnish to the secretary of said board a list of all the certificates of this board filed in his office during the previous year, and upon notice to him of the change of location or death of the person so licensed, or of the revocation of said license, said county clerk shall enter at the appropriate place in the records so kept by him, a memorandum of said fact, and said memoranda shall be furnished to the secretary of this board in the annual report above required.

8. And be it enacted, That any person shall be regarded as practicing medicine or surgery, within the meaning of this act, who shall use the words or letters "Dr.," "Doctor," "Professor," "M. D." or "M. B." in connection with his or her name, or any other title intending to imply or designate him or her as a practitioner of medicine or surgery in any of its branches, and

who in connection with such title or titles or without the use of such titles shall prescribe, direct, recommend, advise, apply, give or sell, for the use of any person or persons, any drug or medicine or other agency or application for the treatment, cure or relief of any bodily injury, infirmity or disease; and it is further provided that the use of any one of the aforementioned titles or the exposure of a sign, circular, advertisement or any other device or information, indicating thereby the occupation of the person or persons, shall be considered prima facie evidence; and it is further provided, that the provisions of this act shall apply to all persons professing and attempting to cure diseases by means of the so-called systems of "faithcurism," "mind-reading," "laying-on-of-hands" and other similar systems.

9. And be it enacted, That this act shall not apply to the commissioned surgeons of the United States army, navy or marine hospital service while so commissioned, or to lawfully-qualified physicians or surgeons residing in other States meeting registered physicians and surgeons of this State in consultation, or to any legally-qualified physician or surgeon of another State taking charge of the practice of a legally-qualified physician or surgeon of this State temporarily during the latter's absence therefrom and upon the written requests to said board therefor, or to any physician or surgeon of another State, and duly authorized under the laws thereof, to practice medicine and surgery therein; provided, that such practitioner shall not open an office or a place for the practice of his profession within the borders of this State, or to anyone while actually serving as a member of the resident medical staff of any legally-incorporated charitable or municipal hospital or asylum, or to any legally-qualified and registered dentist exclusively engaged in practicing the art of dentistry, or to any person claiming the right to practice medicine and surgery in this State who has been practicing therein since before the fourth day of July, one thousand eight hundred and ninety; provided, said right or title was obtained upon a duly-registered diploma, of which the holder and applicant was the lawful possessor, issued by a legally-chartered medical institution which, in the opinion of said board, was in good standing at the time said diploma was issued, or to any person resident of this State who has been continuously engaged in giving treatment by electricity herein during the past seven years; provided, that said person has graduated from a legally-incorporated electro-therapeutic school in good standing.

10. And be it enacted, That any person hereafter commencing or continuing the practice of medicine and surgery in any of its branches in this State without first having obtained and filed the license herein provided for or contrary to the provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished for the first offense by a fine of not less than one hundred dollars or by imprisonment in the county jail for a period of not less than thirty days or by both fine and imprisonment, and for each subsequent offense the punishment shall be double that of the preceding one; and it shall be the duty of the respective district attorneys of the counties of this State to prosecute violation of the provisions of this act.

11. And be it enacted, That the expenses of said board and of the examination shall be paid from the license fees above provided for, and if any surplus remain, the same may be distributed among the members of said board as a compensation for their services as members, but otherwise they shall receive no compensation whatever.

12. And be it enacted, That all acts or parts of acts, general or special, now existing not in accordance with the provisions of this act, or inconsistent therewith, are hereby repealed.

Approved May 22, 1894.

The postoffice address is shown in **Display Type**, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

NEW MEXICO.

CAPITAL, SANTA FE.

Population of New Mexico, 153,593.

(Census of 1890.)

Males	83,055	Native	142,334
Females	70,538	Foreign	11,259
White ...	142,719	Chinese	364
Colored	1,956	Indians	8,554

Number of Physicians, 97.

New Mexico extends from 31 degrees 20 minutes to 37 degrees north latitude, and from 103 degrees to 109 degrees 9 minutes west longitude, and is bounded on the north by Colorado, on the south by Texas and the Republic of Mexico, on the east by Texas and Indian Territory, and on the west by Arizona. It comprises an area of 121,201 square miles, or 77,568,640 acres. The Territory consists of high, level plateaus, intersected by mountain ranges.

ABBREVIATIONS—R., Regular; H., Homœopathic; Ecl., Eclectic; P. M., Physio-Medical;
*, No report received in answer to enquiry regarding graduation; †, Attended lectures but
did not graduate; ‡, Holds certificate of Examining Board; †, Not a graduate; ‡, Claims to
have graduated, but the records do not show that a diploma was granted to any one bearing
the name; ‡, Locally authorized under the "license of practice" section of act.

The principal rivers are the Rio Grande, Canadian, Cimarron, Rio Colorado and Gila, and there are besides a number of less important streams.

The climate is salubrious; mild and equable winters being followed by cool and invigorating summers. The mean annual temperature at Santa Fe is 50.54 degrees; that of the summer 70.50 degrees, and of the winter 30.28 degrees. The rainfall is light, varying from 8 inches in the valley of the Rio Grande to 20 near the Texas State line.

The following table shows the increase in population for 20 years:

1870.	91,874		1890.....	153,593
1880.....	119,565			

There are some well-known medicinal springs in New Mexico.

Rate of Mortality in New Mexico, as computed from the U. S. Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
153,593	2,522	16.42	2,493	29	17.47	2.67

The total number of deaths from consumption during 1890 was 97, which was at the rate of .63 per 1,000 of population, or 38.05 per 1,000 of total deaths.

MEDICAL LAWS OF NEW MEXICO.

AN ACT to Regulate the Practice of Medicine and to Establish a Territorial Board of Health in the Territory of New Mexico. Approved February 27, 1895.

Be it Enacted by the Legislative Assembly of the Territory of New Mexico:

Section 1.—Qualifications for Practice. That no person shall practice medicine in any of its departments in this Territory unless such person possesses the qualifications required by this act. If a graduate in medicine, he must present his diploma by mail or in person to the Territorial Board of Health for verification as to its genuineness.

If the diploma is found genuine and from a legally chartered medical institution in good standing, and if the person named therein be the person claiming and presenting the same, the Territorial Board of Health shall issue a certificate to that effect, signed by all the members thereof, and such certificate shall be conclusive as to the right of the lawful holder of the same to practice medicine in this Territory. If not a graduate, the person practicing medicine in this Territory shall present himself before said Board and submit himself to such examination as the board may require, and if the examination be satisfactory to the board, the said board shall issue its certificate in accordance with the facts, and the lawful holder of such certificate shall be entitled to all the rights and privileges herein mentioned. Provided, That any person who shall have practiced medicine continuously for the period of ten years in this Territory prior to the passage of this act, shall be entitled to a license or certificate, without examination, upon the payment of the fee for such license or certificate.

Sec. 2.—Territorial Board of Health—Organization. That a board is hereby established which shall be known under the name and style of the "New Mexico Territorial Board of Health," to be composed of seven practicing physicians of known ability and integrity, who are graduates of medical schools of undoubted respectability, and holding licenses to practice in this Territory, giving each of the three schools of medicine (known as the regular, homoeopathic and eclectic schools), a representation as follows, to-wit: Four (4) physicians of the regular, two (2) of the homoeopathic, and one (1) of the eclectic school or system of medicine. The members of this board shall be appointed by the Governor and shall hold their office two years, and all vacancies shall be similarly filled as soon as the Governor is notified thereof by the secretary of the board.

The Territorial Board of Health shall organize within three months after the passage of this act; it shall procure a seal, and shall receive through its secretary applications for certificates and examinations; the president and secretary shall have the authority to administer oaths, and the board shall take testimony in all matters relating to its duties; it shall issue certificates to all who furnish satisfactory proof of having received diplomas or licenses from legally chartered medical institutions in good standing, as may be determined by the board. Applicants for certificates being graduates or to all who now have licenses to practice in the Territory issued by the present or former Board of Medical Examiners, shall pay a fee of five (5) dollars to the secretary of the board, who shall turn the same into the treasury of the board.

Sec. 3.—Verification of Diploma—Affidavit. The verification of the diploma or certificate shall consist in the affidavit of the holder and applicant that he is the lawful possessor of the same and that he is the person therein named, and any person swearing falsely shall be deemed guilty of perjury and shall be punished accordingly.

Sec. 4.—Examinations by Board. All examinations of persons, not graduates or licentiates, shall be made directly by the board, and may be made in whole or in part in writing, and shall be of an elementary and practical character, sufficiently strict to test the qualifications of the candidate as a practitioner. The fee for examination shall be twenty (20) dollars, and said fee shall be paid into the treasury of the board.

Sec. 5.—County Clerk to Record. Every person holding a certificate from the Territorial Board of Health shall have it recorded in a book provided for the purpose in the office of the clerk of the county in which he resides, within three months from its date, and the date of recording shall be endorsed thereon; he shall then be entitled to practice in any part of the Territory but must again record his certificate in case of removing his permanent residence to another county.

Sec. 6.—Refusal or Revocation of Certificate. The Territorial Board of Health must refuse to issue certificates to individuals guilty of unprofessional or dishonorable conduct, and it may revoke certificates for like causes.

Sec. 7.—Definition of "to Practice Medicine." For the purposes of this act, the words "practice medicine" shall mean to investigate or diagnose, or offer to investigate or diagnose, any physical or mental ailment of any person,

New Mexico.

R. L. POLK & CO.'S

New Mexico.

with a view to affording relief, as commonly done by physicians; to suggest, recommend, prescribe or direct, for the use of any person, any drug, medicine or appliance, apparatus or other agency, whether material or not material, for the cure, relief or palliation of any ailment or disease of the mind or body, or for the cure or relief of any wound, fracture, or bodily injury or deformity, after having received or with the intent of receiving therefor, either directly or indirectly, any bonus, gift or compensation; Provided, this act shall not prevent people who are entitled to sell medicine under the laws of this Territory from recommending the same, but nothing in this act shall be construed to prohibit gratuitous service in cases of emergency or the domestic administration of family remedies, or women from practicing midwifery; and this act shall not apply to surgeons in the service of the United States in the discharge of their official duties.

Sec. 8.—Penalty for Practicing Without Certificate—Using Another's Diploma.. Any person practicing medicine or surgery in this Territory without the certificate issued by this board in compliance with the provisions of this act, shall for each and every instance of such practice forfeit and pay to the Territory of New Mexico for the use of the said Territorial Board of Health the sum of one hundred (100) dollars for the first offense and two hundred (200) dollars of each subsequent offense, the same to be recovered in an action of debt before any court of competent jurisdiction; and any person filing or attempting to file as his own the diploma or certificate of another or a forged affidavit of identification, shall be guilty of a felony, and upon conviction shall be subject to such fine and imprisonment as are made and provided by the statutes of the Territory for the crime of forgery.

Sec. 9.—Judgment Upon Conviction—Appeal. Upon conviction of either of the offenses mentioned in this act, the court shall, as part of the judgment, order that the defendant be committed to the common jail of the county until the fine and costs are paid, and upon failure to pay the same immediately the defendant shall be committed under said order. Provided, that either party may appeal in the same time and manner as appeals may be taken in other cases, except that where an appeal is prayed in behalf of the Territory, no appeal bond shall be required to be filed, whether the appeal be from a justice of the peace, or from the district, county or circuit court, or from the appellate court, but it shall be sufficient in behalf of the Territory of New Mexico for the use of the Territorial Board of Health to pray an appeal, and thereupon appeal may be had without bond (or) security.

Sec. 10.—Solicitor General and District Attorneys to Prosecute. It shall be the duty of the Solicitor General and the District Attorneys to prosecute any and all persons who shall be guilty of violating the provisions of this act.

Sec. 11.—Repeal. All laws and parts of laws in conflict with the provisions of this act are hereby repealed, and this act shall be in force and effect from and after its passage.

M., Physio-Medical; *, No report received in answer to enquiry regarding graduation; †, Attended lectures but did not graduate; §, Holds certificate of Examining Board; ||, Not a graduate; ¶, Claims to have graduated, but the records do not show that a diploma was granted to any one bearing the name.

NEW YORK.

CAPITAL, ALBANY.

Population of State, 5,997,853.

(Census of 1890.)

Males	2,976,893	Native	4,426,803
Females	3,020,960	Foreign	1,571,050
White	5,923,952	Chinese	3,083
Colored	70,092	Indians	726

Number of Physicians, 11,132.

The State of New York extends from 71° 51' to 79° 47' 25" west longitude, and from 40 degrees 29 minutes 40 seconds to 45 degrees 0 minutes 42 seconds north latitude, and is bounded on the north and west by Canada, from which it is separated by the St. Lawrence river, Lake Ontario, Niagara river and Lake Erie, on the south by New Jersey and Pennsylvania, and on the east by Connecticut, Massachusetts and Vermont. It comprises an area of 47,000 square miles, or 30,080,000 acres. The principal rivers are the Hudson, which rises in the Adirondacks, and, pursuing a southerly course, debouches into New York bay; its total length is about 300 miles and for the last 160 miles it is navigable for the largest vessels; the St. Lawrence, which washes a portion of the northern boundary and with its numerous tributaries drains and irrigates that portion of the State, the Oswego, Niagara, Alleghany, Susquehanna, Mohawk and Delaware. The State has, including Long Island, a coast line of several hundred miles, and possesses in New York bay one of the finest harbors in the world.

The climate is healthful, although marked by extremes of heat and cold. The winters in the Adirondack region are long and severe. The mean annual temperature, as observed at Albany, is 47.95, and in the city of New York, 51.83. The rainfall varies from 44 inches in the Hudson Valley, to 32 in the valley of the St. Lawrence.

The following table shows increase in population for 70 years:

1820.....	1,372,111	1860 ..	3,880,735
1830.....	1,918,608	1870... ..	4,382,759
1840.....	2,428,921	1880.....	5,082,871
1850.....	3,097,394	1890	5,997,853

There are numerous medicinal springs in the State.

The following is a list of medical colleges in the State: College of Physicians and Surgeons in the City of New York (Medical Department of Columbia College), New York; Albany Medical College (Medical Department of Union University), Albany; University of the City of New York, Medical Department, New York; Medical Department of the University of Buffalo, Buffalo; Long Island College Hospital, Brooklyn; the New York Homeopathic Medical College, New York; Bellevue Hospital Medical College, New York; New York Medical College and Hospital for Women (Homeopathic), New York; Eclectic Medical College of the City of New York, New York; Woman's Medical College of the New York Infirmary, New York; College of Medicine of Syracuse University, Syracuse; and Medical Department of Niagara University, Buffalo.

BALL NOZZLE SYRINGE.

—(See page opposite Index to Contents.)—

AMERICAN BALL NOZZLE
CO., 837-847 Broadway,
New York City.

New York. MEDICAL AND SURGICAL REGISTER. New York.

957

Rate of mortality in New York State, as computed from the United States Census of 1890:

Population.	Deaths in 1890.	Rate per 1000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
5,997,853	123,117	20.53	121,214	1,903	20.46	25.75

Total number of deaths from consumption during 1890 was 14,854, which was at the rate of 2.47 per 1,000 of population, or 120.65 per 1,000 of total deaths.

For list of medical colleges see page 101.

MEDICAL INSTITUTIONS.

Albany Charitable Eye and Ear Infirmary—Established 1876. Cor. N. Ferry and Broadway, Albany. Staff of City Oculists.

Albany City Homeopathic Hospital and Dispensary—Established 1868. Capacity 42. 123 N. Pearl st., Albany. Physician-in-charge, George E. Noble.

Albany County Hospital—Established 1848. Capacity 60. Scotland Plank Road, Albany.

Albany Eye and Ear Infirmary—Established 1857. 117 Grand, Albany. Physician-in-charge, Robert Liston. Matron, Mrs. R. Maxwell.

Albany Hospital—Established 1849. Capacity 96. Ambulance service. Cor. Eagle and Howard, Albany. Physician-in-charge, Wm. H. George. Superintendent, John A. Stevenson. Matron, Miss Sarah Snyder.

The Zander • Institute,

20 WEST 59th STREET,
NEW YORK, N. Y.

For Mechanico-Therapeutics or Swedish Movements and Massage by Machinery.

THE most complete Institute of its kind.

Nearly one hundred apparatus invented by Dr. Zander of Stockholm, Sweden, including

**Vibration,
Percussion,
Kneading,
Artificial Horseback,
And Stationary Bicycle.**

The profession is cordially invited to investigate and give a trial to the method of Dr. Zander.

In Germany alone there are now about forty Zander Institutes under supervision of physicians.

The New York Institute is the first one established in this country.

All cases in which massage and exercise are indicated will be received and physician's orders strictly carried out.

Special Facilities for Treatment of Curvatures of the Spine.

Red Cross Hospital OF CHICAGO

22 E. THIRTY-NINTH STREET.

Telephone Oakland 817.

The Hospital is under the personal management of Mrs. Katherine Ball, who is a graduate of the Heidelberg Academy Hospital, and has had experience extending over twenty-five years, altogether, in the Frankfort Holy Ghost Hospital, City Hospitals in Manheim, Wiesbaden and Chicago.

The location is convenient to the Illinois Central (Oakland Station), Thirty-ninth St., Electric and Cottage Grove Avenue Cable cars. Prices are reasonable, and the best food—daintily cooked—is provided. The rooms are bright, well ventilated, and maintained in an absolutely clean condition. Patients are in the professional care of their own physicians.

Note:—We feel that there are many persons in hotels and boarding-houses, who would gladly avail themselves of the quiet and comfort of our Hospital if they knew of such a place.

... DIRECTORY FOR NURSES ...

We furnish trained nurses, either male or female at any hour, day or night.

.. Correspondence From Physicians Respectfully Solicited ..

MEDICAL LAWS OF NEW YORK.

Laws of New York, 1893, Ch. 661, as Amended in 1895.

(Previous laws relating to practice of medicine were repealed May 9, 1893, when this law took effect.)

Definitions. As used in this article:

1. University means University of the State of New York.
2. Regents means board of regents of the University of the State of New York.
3. Board means a board of medical examiners of the State of New York.
4. Medical examiner means a member of a board of medical examiners of the State of New York.
5. Medical school means any medical school, college, or department of a university, registered by the regents as maintaining a proper medical standard and as legally incorporated.
6. Medicine means medicine and surgery.
7. Physician means physician and surgeon.

Section 140. Qualifications. No person shall practice medicine after September 1, 1891, unless previously registered and legally authorized or unless licensed by the regents and registered as required by this article; nor shall any person practice medicine who has ever been convicted of a felony by any court, or whose authority to practice is suspended or revoked by the regents on recommendation of a State board.

Sec. 141. State boards of medical examiners. There shall continue to be three separate State boards of medical examiners of seven members each, each of whom shall hold office for three years, from August 1 of the year in which appointed. One board shall represent the Medical Society of the State of New York, one the Homoeopathic Medical Society of the State of New York, and one the Eclectic Medical Society of the State of New York. Each of these three societies shall at each annual meeting nominate twice the number of examiners to be appointed in that year on the board representing it. The names of such nominees shall be annually transmitted under seal by the president and secretary prior to May 1 to the regents, who shall, prior to August 1, appoint from such lists the examiners required to fill any vacancies that will occur from expiration of term on August 1. Any other vacancy, however occurring, shall likewise be filled by the regents for the unexpired term. Each nominee before appointment, shall furnish to the regents proof that he has received the degree of doctor of medicine from some registered medical school and that he has legally practiced medicine in this State for at least five years. If no nominees are legally before them from a society the regents may appoint from members in good standing of such society without restriction. The regents may remove any examiner for misconduct, incapacity or neglect of duty.

Sec. 142. Certificate of appointment; oath; powers. Every medical examiner shall receive a certificate of appointment from the regents, and before beginning his term of office shall file with the secretary of State the constitutional oath of office. Each board, or any committee thereof, may take testimony and proofs concerning all matters within its jurisdiction. Each board may, subject to the regents' approval, make all by-laws and rules not inconsistent with law needed in performing its duties; but no

New York.

R. L. POLK & CO.'S

New York.

by-law or rule by which more than a majority vote is required for any specified action by the board shall be amended, suspended or repealed by a smaller vote than that required for action thereunder.

Sec. 143. Expenses. From the fees provided by this article the regents may pay all proper expenses incurred by its provisions, except compensation to medical examiners; and any surplus at the end of any academic year shall be apportioned among the three boards pro rata according to the number of candidates whose answer papers have been marked by each.

Sec. 144. Officers; meetings; quorum; committees. Each board shall annually elect from its members a president and a secretary for the academic year, and shall hold one or more meetings each year pursuant to call of the regents, who may also call joint meetings of the three boards or of their officers. At any meeting a majority shall constitute a quorum; but questions prepared by the boards may be grouped and edited, or answer papers of candidates may be examined and marked by committees duly authorized by the boards and by the regents.

Sec. 145. Admission to examination. The regents shall admit to examination any candidate who pays a fee of \$25 and submits satisfactory evidence, verified by oath if required, that he: (1) Is more than 21 years of age; (2) is of good moral character; (3) has the general education required in all cases after August 1, 1895, preliminary to receiving the degree of bachelor or doctor of medicine in this State; (4) has studied medicine not less than three full years, including three satisfactory courses in three different academic years in a medical school registered as maintaining at the time a satisfactory standard; (5) has either received the degree of bachelor or doctor of medicine from some registered medical school or a diploma or license conferring full right to practice medicine in some foreign country. The degree of bachelor or doctor of medicine shall not be conferred in this State before the candidate has filed with the institution conferring it the certificate of the regents that three years before the date of the degree he has either graduated from a registered college or satisfactorily completed a full course in a registered academy or high school; or had a preliminary education considered and accepted by the regents as fully equivalent; or had passed regents' examinations representing for degrees conferred in 1898 one year of academic work, and for degrees conferred in 1899 two years of academic work and for degrees conferred in 1900 a full high school course. Students who had matriculated in a New York medical school before June 5, 1890, shall be exempt from this preliminary education requirement, provided the degree be conferred before August 1, 1895. The regents may, in their discretion, accept as the equivalent for any part of the third and fourth requirement evidence of five or more years' reputable practice, provided that such substitution be specified in the license.

Sec. 146. Questions. Each board shall submit to the regents, as required, lists of suitable questions for thorough examinations in anatomy, physiology and hygiene, chemistry, surgery, obstetrics, pathology and diagnosis, and therapeutics, including practice and materia medica. From these lists the regents shall prepare question papers for all these subjects, which at any examination shall be the same for all candidates, except that in therapeutics, practice and materia medica all the questions submitted to any candidate shall be chosen from those prepared by the board selected by that candidate, and shall be in harmony with the tenets of that school as determined by its State Board of Medical Examiners.

Sec. 147. Examination and reports. Examinations for license shall be given in at least four convenient places in this State and at least four times annually, in accordance with the regents rules, and shall be exclusively in writing and in English. Each examination shall be conducted by a regents examiner, who shall not be one of the medical examiners. At the close of each examination the regents examiner in charge shall deliver the questions and answer papers to the board selected by each candidate, or to its duly authorized committee, and such board, without unnecessary delay, shall examine and mark the answers and transmit to the regents an official report, signed by its president and secretary, stating the standing of each candidate in each branch, his general average and whether the board recommends that a license be granted. Such report shall include the questions and answers and shall be filed in the public records of the university. If a candidate fails on first examination, he may after not less than six months' further study have a second examination without fee. If the failure is from illness or other cause satisfactory to the regents they may waive the required six months' study.

Sec. 148. Licenses. On receiving from a State board an official report that an applicant has successfully passed the examinations and is recommended for license, the regents shall issue to him, if in their judgment he is duly qualified therefor, a license to practice medicine. Every license shall be issued by the university under seal and shall be signed by each acting medical examiner of the board selected and by the officer of the

university who approved the credential which admitted the candidate to examination, and shall state that the licensee has given satisfactory evidence of fitness as to age, character, preliminary and medical education and all other matters required by law, and that after full examination he has been found properly qualified to practice. Applicants examined and licensed by other State examining boards registered by the regents as maintaining standards not lower than those provided by this article, and applicants who matriculated in a New York State medical school before June 5, 1890, and who receive the degree M. D. from a registered medical school before August 1, 1895, may without further examination, on payment of \$10 to the regents and on submitting such evidence as they may require, receive from them an indorsement of their licenses or diplomas conferring all rights and privileges of a regents license issued after examination.

If any person, whose registration is not legal because of some error, misunderstanding or unintentional omission, shall submit satisfactory proof that he had all requirements prescribed by law at the time of his imperfect registration and was entitled to be legally registered, he may on unanimous recommendation of a State board of medical examiners receive from the regents under seal a certificate of the facts which may be registered by any county clerk and shall make valid the previous imperfect registration.

Before any license is issued it shall be numbered and recorded in a book kept in the regents office, and its number shall be noted in the license. This record shall be open to public inspection, and in all legal proceedings shall have the same weight as evidence that is given to a record of conveyance of land.

Sec. 149. Registry. Every license to practice medicine shall, before the licensee begins practice thereunder, be registered in a book kept in the clerk's office of the county where such practice is to be carried on, with name, residence, place and date of birth, and source, number and date of his license to practice. Before registering each licensee shall file, to be kept in a bound volume in the county clerk's office, an affidavit of the above facts, and also that he is the person named in such license, and had, before receiving the same, complied with all requisites as to attendance, terms and amount of study and examinations required by law and the rules of the university as preliminary to the conferment thereof; that no money was paid for such license, except the regular fees paid by all applicants therefor; that no fraud, misrepresentations or mistake in any material regard was employed by anyone or occurred in order that such license should be conferred. Every license, or if lost, a copy thereof legally certified so as to be admissible as evidence, or a duly attested transcript of the record of its conferment shall, before registering, be exhibited to the county clerk, who, only in case it was issued or indorsed as a license under seal by the regents, shall indorse or stamp on it the date and his name preceded by the words: "Registered as authority to practice medicine in the clerk's office of _____ county." The clerk shall thereupon give to every physician so registered a transcript of the entries in the register, with a certificate under seal that he had filed the prescribed affidavit. The licensee shall pay to the county clerk a total fee of one dollar for registration, affidavit and certificate.

Sec. 150. Registry in another county. A practicing physician having registered a lawful authority to practice medicine in one county, and removing such practice or part thereof to another county, or regularly engaging in practice or opening an office in another county, shall show or send by registered mail to the clerk of such other county, his certificate of registration. If such certificate clearly shows that the original registration was of an authority issued under seal by the regents, or if the certificate itself is indorsed by the regents as entitled to registration, the clerk shall thereupon register the applicant in the latter county, on receipt of a fee of 25 cents, and shall stamp or indorse on such certificate the date and his name, preceded by the words: "Registered also in _____ county," and return the certificate to the applicant.

Sec. 151. Certificate presumptive evidence; unauthorized registration and license prohibited. Every unrevoked certificate and indorsement of registry, made as provided in this article shall be presumptive evidence in all courts and places, that the person named therein is legally registered. Hereafter no person shall register any authority to practice medicine unless it has been issued or indorsed as a license by the regents. No such registration shall be valid unless the authority registered constituted at the time of registration, a license under the laws of the State then in force. No diploma or license conferred on a person not actually in attendance at the lectures, instruction and examination of the school conferring the same, or not possessed at the time of its conferment, of the requirements then demanded of medical students in this State as a condition of their being licensed so to practice, and no registration not in accordance with this article shall be law-

ful authority to practice medicine, nor shall the degree of doctor of medicine be conferred *causa honoris* or *ad eundem*, nor if previously conferred shall it be a qualification for such practice.

Sec. 152. Construction of this article. This article shall not be construed to effect commissioned medical officers serving in the United States army, navy or marine hospital service, while so commissioned; or anyone while actually serving on the resident medical staff of any legally incorporated hospital; or any legally registered dentist exclusively engaged in practicing dentistry; or any manufacturer of artificial eyes, limbs or orthopedic instruments or trusses in fitting such instruments on persons in need thereof; or any lawfully qualified physician in other States or countries meeting legally registered physicians in this State in consultation; or any physician residing on a border of a neighboring State and duly authorized under the laws thereof to practice medicine therein, whose practice extends into this State, and who does not open an office or appoint a place to meet patients or receive calls within this State; or any physician duly registered in one county called to attend isolated cases in another county, but not residing or habitually practicing therein. This article shall be construed to repeal all acts or parts of acts authorizing conferment of any degree in medicine *causa honoris* or *ad eundem* or otherwise than on students duly graduated after satisfactory completion of a preliminary and medical course not less than that required by this article, as a condition of license.

Sec. 153. Penalties and their collection. Any person who, not being then lawfully authorized to practice medicine within this State and so registered according to law, shall practice medicine within this State without lawful registration or in violation of any provision of this article; and any person who shall buy, sell or fraudulently obtain any medical diploma, license, record or registration, or who shall aid or abet such buying, selling, or fraudulently obtaining, or who shall practice medicine under cover of any medical diploma, license, record or registration illegally obtained, or signed, or issued unlawfully or under fraudulent representations or mistake of fact in a material regard, or who, after conviction of a felony, shall attempt to practice medicine, or shall so practice, and any person who shall append the letters M. D. to his or her name, or shall assume or advertise the title of doctor (or any title which shall show or tend to show that the person assuming or advertising the same is a practitioner of any of the branches of medicine) in such a manner as to convey the impression that he or she is a legal practitioner of medicine, or of any of its branches, without having legally received the medical degree, or without having received a license which constituted at the time an authority to practice medicine under the laws of this State then in force, shall be guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not more than \$250, or imprisonment for six months for the first offense, and on conviction of any subsequent offense, by a fine of not more than \$500 or imprisonment for not less than one year, or by both fine and imprisonment. Any person who shall practice medicine under a false or assumed name, or who shall falsely personate another practitioner of a like or different name, shall be guilty of a felony. When any prosecution under this article is made on the complaint of any incorporated medical society of the State, or any county medical society of such county entitled to representation in a State society, the fines when collected shall be paid to the society making the complaint, and any excess of the amount of fines so paid over the expense incurred by the said society in enforcing the medical laws of this State, shall be paid at the end of the year to the county treasurer.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

---	--	---

The postoffice address is shown in **Display Type**, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in **Display Type**, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians 101 to 120 indicates the college of graduation, and the last number the year in which diploma was granted.

SALICYLATE SODIUM. — TRUE.

The Wm. S. Merrell Chemical Co.,
Cincinnati, Sole Manufacturers.

IN POWDER and TABLET FORM.

The distressing gastric disturbance so characteristic of the commercial salicylic acid and its sodium salt will be almost entirely avoided by the use of the preparation in this form, while its convenience will be appreciated by physician and patient alike. Printed matter on application.

New York. MEDICAL AND SURGICAL REGISTER. *New York* 1025

The postoffice address is shown in Display Type, the name of county in which is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

- CAMPHO-PHENIQUE POWDER -

**ITS SUPERIORITY OVER IODOFORM
LIES IN THE FOLLOWING POINTS**

**HALF OUNCE SAMPLE
MAILED FREE TO PHYSICIANS.**

PAENIQUE CHEMICAL Co.
St. Louis, Mo.

USE CAMPHO-PHÉNIQUE GAUZE.
RECOM-MEND-- CAMPHO-PHÉNIQUE SOAP.

Cuthbert Bowen, M. A., M. D., F. R. M. S. General Hospital, Bridgetown,
Barbadoes, West Indies, written under date of May 10th, 1896.

I have used Campho-Phénique both in its liquid and powdered form as a dressing for wounded surfaces of every description, and I have no hesitation in pronouncing it to be the most satisfactory antiseptic application which has come under my observation as yet. Its freedom from unpleasant odor renders its employment by the General Practitioner far preferable to that of Iodoform, while the results obtained are, as far as my experience goes quite as good as those of Iodoform.

THE WESTPORT SANITARIUM, WESTPORT, CONN.

A Private Institution for the Care and Treatment of Mental and Nervous Diseases.

Pleasantly situated. Extensive grounds (50 acres). Beautiful drives, walks, and groves of pine trees. Careful medical supervision. Kind and reliable attendants. Bowling alley, croquet, tennis and frequent entertainments. Cottage care, with private attendants, if desired. Terms moderate. Applications can be made at 979 Lexington Avenue, NEW YORK CITY (Wednesdays, from 10 A. M. to 12:30 P. M.) or address **Dr. F. D. RULAND**, Medical Superintendent, WESTPORT SANITARIUM, WESTPORT, CONN. Telephone 75-5.

CONGRESS SPRING,

—SARATOGA.—

**A SALINE-ALKALINE WATER,
CATHARTIC AND ALTERATIVE,
OF HIGH MEDICINAL VIRTUES.**

This famous water being now (by a most elaborate retubing) restored to all its former strength and excellence, the great mineral-water-drinking public might have been seen the past season at Saratoga, hurrying to slake their thirst at this HEALTHFUL FOUNTAIN.

While the water is now as strongly cathartic as at any period since its discovery—over one hundred years ago—it still retains the DELICIOUS FLAVOR and SMOOTH CATHARTIC ACTION that has always been characteristic of this famous water.

By its efficacy, purity and acknowledged sanitary properties, and the happy proportions of its various alkaline salts. THE CONGRESS WATER stands unrivalled by all, either foreign or domestic.

For Sale by all Reputable Grocers, Druggists, Hotels and

CONGRESS SPRING CO.,

SARATOGA SPRINGS, N. Y.

PEPTENZYME

Digests all kinds of food, meat, starch, fat and sugar, and is the most successful preparation of Digestive Ferments ever prepared.

PROTONUCLEIN,

Nature's Antitoxine and Tissue Builder.
It is indicated in all conditions where there are toxic germs to be destroyed, and the organism is below the normal physiological standard.

CARNRICK'S SOLUBLE FOOD,

The most easily digested and highly nutritious Food for Infants and Invalids.

CARNRICK'S COCA MUSCATEL,

A general nervous Tonic and Restorative.

ZYMOCIDE,

A non-toxic, colorless Liquid Antiseptic, for Internal or External use.

PREPARED BY

REED & CARNRICK, New York.

Dr. Edison's Obesity and Supporting Band.

Prof. Wm H. Phipps, Wesley College, Philadelphia, writes: "Dr. Edison's Obesity Band reduced my abdominal measurement 11 inches in four weeks."

PHYSICIANS PRESCRIBE

DR. EDISON'S OBESITY PILL, SALT COMPOUND AND BANDS.

USED BY FAT PHYSICIANS.
PRESCRIBED BY ALL PHYSICIANS.

"Dr. Edison's Obesity Pills, Salt and Compound and Obesity and Supporting Bands have come into general use among physicians strictly on their merits. It is conceded that they do take off fat and that they are perfectly harmless to any one in any condition, however delicate."
—Hamond H. Dumars, M. D., in the Medical Index.

"After long study of Obesity and its cure," writes E. Foster Bevans, M. D., "I have come to the conclusion that Dr. Edison's Obesity Remedies more nearly fill the requirements of a thorough cure for this malady than any or all other treatments. These remedies reduce flesh, but do not reduce the system."

Dr. Edison's Obesity and Supporting Bands should be used by fleshy men and women; his Supporting Band by all women in a weak condition. "These are the only scientifically planned, artistically made and thoroughly satisfactory bands ever devised."—Dr. T. Hunt, in Medical View.

DR. EDISON'S OBESITY FRUIT SALT.—A FRUIT LAXATIVE.

Dose.—One to two teaspoonfuls in a tumbler of water as needed or desired.

The Price is \$1.00 per Bottle.

One bottle should last 20 to 30 days. Sold at our stores. Your druggist will supply you.

Send all mail, express or C. O. D. orders to us, and we will forward goods promptly to any locality in the country. 25 per cent. discount to physicians.

COMPOSITION OF OBESITY FRUIT SALT.

NaHCO ₃ , 74.52 parts.	K ₂ SO ₄ , .64 parts.	H ₂ C ₄ H ₄ O ₆ , 56.00 parts.
Na ₂ SO ₄ , 14.08 "	NaCl, 5.76 "	C ₁₂ H ₂₂ O ₁₁ , 24.00 "

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

The Bacterio-Therapeutic Laboratory,
OF THE WINYAH SANITARIUM, ASHEVILLE, N. C.
FOR THE STUDY OF TUBERCULOSIS.

PRODUCTS:— Antiphthisin-Klebs, Tuberculocidin, Tuberculin Purified, Tuberculin-Koch, (for the treatment of Tuberculosis). Direct all inquiries to
DR. KARL von RUCK.

ESTABLISHED 1888.

The Winyah Sanitarium, Asheville, N. C.

A Private Institution for the treatment of Diseases of the Lungs and Throat. Perfect appointments for its special purposes. First-class accommodations and service.

C. P. AMBLER, M. D., **KARL von RUCK, B. S., M. D.,**
Associate Med. Director and Laryngologist. President and Medical Director.

The postoffice address is shown in **Display Type**, the name of county in which is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

NORTH CAROLINA.

CAPITAL, RALEIGH.

Population of State, 1,617,947.

(Census of 1890.)

Males	799,149	Native	1,614,245
Females	818,798	Foreign	3,702
White	1,055,382	Chinese	33
Colored	561,018	Indian	1,514

Number of Physicians, 1,358.

North Carolina extends from 33 degrees 53 minutes to 36 degrees 33 minutes north latitude, and from 75 degrees 25 minutes to 84 degrees 30 minutes west longitude, and is bounded on the north by Virginia, on the west by Tennessee, on the south by South Carolina and Georgia, and on the east by the Atlantic ocean. It comprises an area of 50,704 square miles, or 32,450,500 acres.

The principal rivers of North Carolina are the Cape Fear, the Chowan, the Roanoke, the Tar, the Neuse and the Yadkin.

The climate is warm, the mean annual temperature being 58.52, that of the summer 77.24, and of the winter 40.14. The average annual rainfall is about 43 inches.

The following table shows increase in population for 70 years:

1820.....	638,829	1860.	992,622
1830.....	737,987	1870.....	1,071,361
1840.....	753,419	1880.....	1,399,750
1850.....	869,039	1890.....	1,617,947

There are several well known medicinal springs in the State, prominent among them the Haywood White Sulphur Springs at Waynesville.

There is one medical college in the State, the Leonard Medical School, Medical Department of Shaw University, at Raleigh.

Rate of mortality in North Carolina, as computed from the United States Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,617,947	18,420	11.38	11,186	7,234	10.60	12.86

Total number of deaths from consumption during 1890 was 2,212, which was at the rate of 1.37 per 1,000 of population, or 112 per 1,000 of total deaths.

For list of medical colleges, see page 101.

Rowan Co. Medical Society—Secretary, A. J. Crowell, China Grove.

Wilmington Medical Society—Secretary, R. D. Jewett.

MEDICAL LAWS OF NORTH CAROLINA.

Section 3121. The association of regularly graduated physicians, calling themselves "The State Medical Society," is hereby declared to be a body politic and corporate, to be known and distinguished by the name of "The Medical Society of the State of North Carolina."

Sec. 3122. No person shall practice medicine or surgery, nor any of the branches thereof, nor in any case prescribe for the cure of diseases for fee or reward, unless he shall have been first licensed so to do in the manner hereinafter provided.

Sec. 3123. In order to the proper regulation of the practice of medicine and surgery, there shall be established a board of regularly graduated physicians, to be known by the title of "The Board of Medical Examiners of the State of North Carolina," which shall consist of seven regularly graduated physicians.

Sec. 3124. It shall be the duty of the said board to examine all applicants for license to practice medicine or surgery, or any of the branches thereof, on the following branches of medical science: Anatomy, physiology, surgery, pathology, medical hygiene, chemistry, pharmacy, materia medica, therapeu-

tics, obstetrics, and the practice of medicine, and if on such examination they be found competent, to grant to each applicant a license or diploma, authorizing him to practice medicine and surgery, or any of the branches thereof: Provided, five members of the board shall constitute a quorum and four of those present shall be agreed as to the qualifications of the applicant.

Sec. 3125. To prevent delay and inconvenience, two members of the Board of Medical Examiners may grant a temporary license to any applicant and make report thereof to the next regular meeting of the board: Provided, such temporary license shall not continue in force longer than the next regular meeting of the board, and such temporary license shall in no case be granted after the applicant has been refused a license by the Board of Medical Examiners.

Sec. 3126. The medical society shall have power to appoint the Board of Medical Examiners.

Sec. 3127. The Board of Medical Examiners shall assemble at the same time and places when and where the medical society assembles, which society shall assemble at least once in every year at such time and place as the said society, at its next preceding meeting, shall have fixed; and the said board shall remain in session from day to day until all applicants who may present themselves for examination within the first five days after its meeting shall have been examined and disposed of.

Sec. 3128. The Board of Medical Examiners are authorized to elect all such officers and to frame all such by-laws as may be necessary, and in the event of any vacancy by death, resignation or otherwise, of any member of said board, the board, or a quorum thereof, is empowered to fill such vacancy.

Sec. 3129. The board of examiners shall keep a regular record of its proceedings in a book kept for that purpose, which shall always be open for inspection, and shall cause to be entered on a book kept for the purpose the name of each applicant for license, and the name of each applicant licensed to practice medicine and surgery, and the time of granting the same, together with the names of the members of the board present, and shall publish the names of those licensed in two of the newspapers published in the city of Raleigh, within thirty days after the granting of the same.

Sec. 3130. The board shall have power to demand of every applicant thus licensed the sum of ten dollars before issuing a license or diploma, and the sum of five dollars for each temporary license, to be paid to the secretary of the board.

Sec. 3131. The members of the said board shall each receive as a compensation for their services four dollars per day during the time of their session and in addition thereto their traveling expenses to and from their places of meeting by the most direct route from their respective places of residence, to be paid by the secretary of the board out of any moneys in his hands, upon the certificate of the president of the Board of Medical Examiners.

Sec. 3132. Any person who shall practice medicine or surgery without having first applied for and obtained license from the said board of examiners, shall not be entitled to sue for or recover before any court any medical bill for services rendered in the practice of medicine or surgery or any of the branches thereof. And any person who shall begin the practice of medicine or surgery in this State for fee or reward, after the passage of this act (March 7, 1885), without first having obtained license from said board of examiners, shall not only not be entitled to sue for or recover before any court any medical bill for services rendered in the practice of medicine or surgery, or any of the branches thereof, but shall also be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than twenty-five dollars nor more than one hundred dollars, or imprisoned at the discretion of the court, for each and every offense: Provided, that this act shall not be construed to apply to women who pursue the vocation of a midwife; And provided further, that this act shall not apply to any reputable physician or surgeon resident in a neighboring State coming into this State for consultation with a registered physician resident therein. But this proviso shall not apply to physicians resident in a neighboring State, regularly practicing in this State: Provided, that this section shall not apply to physicians who have a diploma from a regular medical college, and were practicing medicine or surgery in this State prior to the seventh day of March, one thousand eight hundred and eighty-five.

Sec. 3133. The said board shall have the power to rescind any license granted by them, when, upon satisfactory proof, it shall appear that any physician thus licensed has been guilty of grossly immoral conduct.

Sec. 3134. The secretary of the Board of Medical Examiners shall give bond, with good security, to the president of the board, for the safe-keeping and proper payment of all moneys that may come into his hands.

Registration. 1889, c. 181, ss. 3 (in part), 4, 5, 6, 7:

Sec. 3. * * * All persons who are now practicing medicine or surgery in this State shall, before the first day of January, one thousand eight hundred and ninety-two, personally appear before the Clerk of the Superior Court of the county where any such person resides or practices for registra-

tion as herein provided; and any person who shall begin the practice of medicine or surgery in this State after the passage of this act shall likewise personally appear before the Clerk of the Superior Court of the county in which he resides or practices within thirty days after obtaining a license from the Board of Medical Examiners of the State, as now provided by law for such registration.

Sec. 4. That any person applying for registration as herein provided shall produce and exhibit before the Clerk of the Superior Court a license obtained from the Board of Medical Examiners aforesaid, or make oath that he was practicing medicine or surgery in this State prior to said seventh day of March, 1885; and upon such exhibit or oath being made as aforesaid, the clerk shall register the date of registration with the name and residence of such applicant in a book to be kept for this purpose in his office, marked "Register of Physicians and Surgeons," and shall issue to him a certificate of such registration under the seal of the Superior Court of the county upon the form furnished him, as hereinafter provided, for which the clerk shall be entitled to collect from said applicant a fee of twenty-five cents. The person obtaining said certificate shall be entitled to practice medicine or surgery, or both, in the county where the same was obtained, and in any other county in this State; but if he shall remove his residence to another county he shall exhibit said certificate to the clerk of such other county and be registered, which registration shall be made by said clerk without fee or charge: Provided, that anyone having obtained a temporary license, as provided in section three thousand one hundred and twenty-five of the Code, shall not be entitled to register, but may practice during the time such license shall remain in force.

Sec. 5. That any person who shall practice or attempt to practice medicine or surgery in this State without first having registered and obtained the certificate as aforesaid shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than twenty-five dollars nor more than one hundred dollars, or be imprisoned at the discretion of the court, for each and every offense: Provided, this act shall not apply to women pursuing the vocation of midwife, nor to reputable physicians or surgeons resident in a neighboring State coming into the State for consultation with a registered physician of this State.

Sec. 6. That any clerk of the Superior Court who shall register or issue a certificate to any person in any other manner than that prescribed by this act shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars and shall be removed from office.

Sec. 7. That it shall be the duty of the Medical Society of the State of North Carolina to prescribe a proper form of certificate required by this act, and on or before the first day of July, one thousand eight hundred and eighty-nine, to furnish the clerk of the Superior Court of each county in the State blank forms thereof, and also one or more copies of this act; and it shall be the duty of said clerk, immediately upon receipt of this act to post a copy thereof in some conspicuous place in the court-house of the county. Said society shall likewise furnish every physician in the State, whose address can be obtained, a copy of this act, on or before said first day of July, one thousand eight hundred and eighty-nine.

MISSOURI VACCINE FARM. } ANIMAL VACCINE Prepared under Supervision
of R. M. HIGGINS, M. D., WEBSTER GROVES, ST.
LOUIS Co., Mo. (For Particulars, see adv., p. 4.)

LIST OF PHYSICIANS,

Arranged Alphabetically by Postoffices.

THE ST. LOUIS
(MONTHLY)
COURIER OF MEDICINE

HAS 221 (Jan.'96) SUBSCRIBERS IN THIS STATE,
And Proves by Post Office Receipts a Circulation of
20,000 COPIES EACH ISSUE.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

NORTH DAKOTA.

CAPITAL, BISMARCK.

Population of State, 182,719.

(Census of 1890.)

Males	101,590	Native	101,258
Females	81,129	Foreign	81,461
White	182,123	Chinese	29
Colored	373	Indians	194

Number of Physicians, 203.

North Dakota was admitted to the Union November 3, 1889. It extends from 46 degrees to 49 degrees N. latitude, and from 96 degrees 22 minutes 30 seconds to 104 degrees W. longitude, and is bounded on the north by the British possessions, on the west by Montana, on the east by Minnesota, and on the south by South Dakota. It is 212 miles in length, and has an average breadth of 340 miles, and comprises an area of 70,795 square miles, or 45,308,800 acres. The principal rivers are the Missouri, with its tributaries, and the Red River of the North, which forms the eastern boundary of the State, the Souris, or Mouse, and the Dakota. The temperature varies during the year from 49 degrees below zero to 107 Fahrenheit. The winters are cold, and much snow falls. The average rainfall is about 18 inches, and occurs at the best time for agriculture. The atmosphere is clear and dry, and owing to the elevation malarial diseases are nearly unknown, whilst pulmonary complaints are comparatively rare. There is an earlier spring than in Eastern States in same latitude.

Rate of Mortality in North Dakota as computed from U. S. Census of 1890:

Population.	Deaths in 1890	Rate per 1,000	White	Colored	Rate per 1,000, White.	Rate per 1,000, Colored.
182,719	1,716	9.39	1,712	4	9.40	6.71

Total number of deaths from consumption during 1890 was 167, which was at the rate of .91 per 1,000 of population, or 97.32 per 1,000 of total deaths.

MEDICAL INSTITUTIONS.

North Dakota Hospital for Insane—Established 1883. Capacity 318. Jamestown. Physician-in-charge, D. S. Moore. Matron, Mrs. S. A. Archibald.

MEDICAL LAWS OF NORTH DAKOTA.

AN ACT TO REGULATE THE PRACTICE OF MEDICINE IN THE STATE OF NORTH DAKOTA.

Be it Enacted by the Legislative Assembly of North Dakota:

Section 1. The Governor of this State shall appoint a Board of Examiners to be known as the State Board of Medical Examiners, consisting of nine members, of whom eight shall be practicing physicians in good standing, who shall hold their office for three years after such appointment and until their successors are appointed; provided that the members thereof first appointed under this act shall be divided into three classes, each class to consist of three. The first class shall hold office under such appointment for the period of one year; the second class for two years, and the third class for three years from the date of their respective appointment. It is further provided that no member thereof shall be appointed to serve for more than two terms in succession, and no member of any college or university having a medical department, shall be appointed to serve as members of said Board. Two members of said Board shall be homoeopathic physicians and one a lawyer.

Sec. 2. Said Board of Medical Examiners shall elect a President, Secretary and Treasurer, and shall have a common seal. The President and Secretary shall have the power to administer oaths. Said Board of Medical Examiners shall hold meetings for examinations at such places as the Board may designate, on the first Tuesday of January, April, July and October of each year, and such other meetings as said Board may from time to time appoint. Said Board shall keep a record of all the proceedings thereof, and also a record or register of applicants for a license, together with his or her age, time spent in the study of medicine, and the name and location of all institutions granting to such applicants degrees or certificates of lectures in medicine or surgery. Such register shall also show whether such applicant was rejected or licensed under this act. Said books and register shall be prima facie evidence of all matters therein recorded.

Sec. 3. All persons hereafter commencing the practice of medicine, surgery and obstetrics in any of its branches in this State shall apply to said Board for a license so to do, and such applicant at the time and place designated by said Board, shall submit to an examination in the following branches, to-wit: Anatomy, Physiology, Chemistry, Histology, Materia Medica, Therapeutics, Preventive Medicines, Practice of Medicine, Surgery, Obstetrics, Diseases of Women and Children, Diseases of the Nervous System, Diseases of the Eye and Ear, Medical Jurisprudence and such other branches as the Board shall deem advisable, and present evidence of having attended three courses of lectures of at least six months each; said Board shall cause such examination to be both practical and scientific, but of sufficient severity to test the candidate's fitness to practice medicine, surgery and obstetrics. When desired, said examination may be conducted in the presence of the Dean of any Medical School or the President of any Medical Society of the State. After examination, said Board shall grant a license to such applicant to practise medicine, surgery and obstetrics in the State of North Dakota, which said license can only be granted by consent of not less than seven

OAKWOOD SPRINGS SANITARIUM, LAKE GENEVA, WIS.

Send for Catalogue.

North Dakota. MEDICAL AND SURGICAL REGISTER. *North Dakota.* 1133

members of said Board, and which said license shall be signed by the President and Secretary of said Board and attested by the seal thereof. The fee of such examination shall be the sum of twenty dollars, and shall be paid by the applicant to the Treasurer of said Board, to be applied by the said Board toward paying the expenses thereof. And such Board may revoke or refuse a license for unprofessional, dishonorable or immoral conduct, for chronic or persistent inebriety, the practice of criminal abortion, or for publicly advertising special ability to treat or cure diseases which, in the opinion of said Board, it is impossible to cure. In complaints for violating the provisions of this section, the accused person shall be furnished with a copy of the complaint and given a hearing before said Board in person or by attorney. In all cases of refusal or revocation the applicant may appeal to the appointing power of said Board.

Sec. 4. The person so receiving said license shall file the same or a certified copy thereof with the Register of Deeds where he or she resides, and said Register of Deeds shall file the said certificate or copy thereof, and enter a memorandum thereof, giving date of said license and name of person to whom same was issued, and the date of such filing, in a book to be provided and kept for that purpose, and a list of all certificates on file in his office, and upon notice to him of the change of location or death of a person so licensed, or of the revocation of the license granted to such person, said Register of Deeds shall enter at the appropriate places in the records so kept by him a memorandum of said fact; so that the records so kept by the said Register of Deeds shall correspond with the records of the said Board as kept by the Secretary thereof. In case a person so licensed shall move into another county of this State, he or she shall procure from the Register of Deeds a certified copy of said license, and file the same with the Register of Deeds in the county in which he or she shall remove. Said Register of Deeds shall file and enter the same with like effect as if the same was the original license.

Sec. 5. This act shall not apply to commissioned surgeons of the United States army or navy, to the physicians or surgeons in actual consultation from other States or territories, or to actual medical students practising medicine under the direct supervision of a preceptor.

Sec. 6. Any person practicing medicine, surgery or obstetrics in this State without first having obtained the license herein provided for, or contrary to the provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof in any court of competent jurisdiction, shall be fined not less than fifty nor more than two hundred dollars, or by imprisonment in the county jail not less than ten days nor more than sixty days, or both fine and imprisonment. Any person shall be regarded as practicing within the measures of this act who shall append the letters "M. D." or "M. B." to his or her name, or for a fee prescribe, direct or recommend for the use of any person, any drug or medicine, or other agency for the treatment, care or relief of any wound, fracture or bodily injury, infirmity or disease; provided, however, this act shall not apply to dentists. It shall be the duty of the respective State's Attorney to prosecute violations of this act.

Sec. 7. All acts and parts of acts heretofore passed inconsistent with the provisions of this act are hereby repealed.

Approved January 10, 1890.

CAUTION.

Beware of so called Medical Directories, plagiarized from R. L. Polk & Co.'s Medical and Surgical Register of the U. S., in violation of the copyright laws.

To avoid being swindled see that the agent represents a reputable publisher.

Our friends will confer a favor upon us as well as render a service to the medical profession by promptly notifying us of such attempted frauds.

R. L. POLK & CO.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

OHIO.
CAPITAL, COLUMBUS.

Population of State, 3,672,316.
(Census of 1890.)

Males	1,855,736	Native	3,213,023
Females	1,816,580	Foreign	459,293
White	3,584,805	Chinese	205
Colored	87,113	Indians	193

Number of physicians, 7,575.

The State of Ohio comprises an area of 39,964 square miles or 25,-576,960 acres, and extends from 38 degrees 25 minutes to 42 degrees north latitude, and from 80 degrees 28 minutes to 84 degrees 42 minutes west longitude. It is bounded on the north by Michigan and Lake Erie, on the south and southeast by the Ohio river, which separates it from Kentucky and West Virginia, on the east by Pennsylvania, and on the west by Indiana. The principal rivers are the Ohio, the Mahoning, the Muskingum, the Scioto, Maumee, Sandusky, Huron, Vermillion, Black, etc. The climate is mild and salubrious, the mean annual temperature varying from 49.99 degrees at Cleveland to 54.72 degrees at Cincinnati. The average annual rainfall is about 41 inches, being the greatest along the Valley of the Ohio.

The following table shows the increase in population during 70 years:

1820.....	581,295	1860... ..	2,339,511
1830.....	937,903	1870.....	2,665,260
1840... ..	1,519,467	1880.....	3,198,062
1850.....	1,980,329	1890... ..	3,672,316

There are several well-known medicinal springs in the State, one of the most famous of these being the Ripley Bromo-Lithia Spring, at Ripley.

The medical colleges of Ohio are: Medical College of Ohio (Medical Department, University of Cincinnati), Cincinnati; Western Reserve University Medical Department (Cleveland Medical College, Medical Department of Adelbert College of Western Reserve University), Cleveland; Eclectic Medical Institute, Cincinnati; Starling Medical College, Columbus; Cincinnati College of Medicine and Surgery, Cincinnati; Miami Medical College (Medical Department of the University of Cincinnati), Cincinnati; Cleveland College of Physicians and Surgeons (Medical Department of the Ohio Wesleyan University), Cleveland; Pulte Medical College (Homoeopathic), Cincinnati; American Eclectic Medical College, Cincinnati; Toledo Medical College, Toledo; Cleveland University of Medicine and Surgery, Cleveland; National Normal University College of Medicine, Lebanon; Cleveland Medical College, Cleveland; Ohio Medical University, Columbus; and Laura Memorial College, Cincinnati.

Rate of Mortality in Ohio, as computed from the U. S. Census of 1890:

Population.	Deaths in 1890.	Rate per 1000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
3,672,316	49,844	13.57	47,844	2,000	13.35	22.85

The total number of deaths from consumption during 1890 was 6,393, which was at the rate of 1.74 per 1,000 of population, or 128.26 per 1,000 of total deaths.

For List of Medical Colleges, see page 101.

MEDICAL INSTITUTIONS.

Allen County Infirmary—Established 1835. Capacity 90. 3½ miles east of Lima. Physician-in-charge, T. R. Terwilleger. Matron, Mrs. D. S. Baxter.

Ashtabula Sanitarium—Established 1895. 68 Center, Ashtabula. Proprietor, H. D. Coup.

Athens State Hospital—Established 1874. Capacity 825. Athens. Medical Superintendent, C. O. Dunlap. Matron, Mrs. A. H. Dunlap.

Aultman Hospital—Established 1892. Capacity 60 to 70. Ambulance service. W. South, Canton. Medical staff. Matron, Miss Emma J. Hager.

Bellevue Sanitarium—Established 1884. Capacity 15. Ambulance service. East Main, Bellevue. Private. Physician-in-charge, S. A. Orwig. Matron, Sophia Orwig.

Canton Sanitarium—Established 1894. Capacity 20. Canton. Medical staff. Secretary, Charles R. Frazer.

Central Branch, N. H. for D. V. S.—Established 1867. Capacity 5,238. Dayton. Governor, J. B. Thomas. Surgeon, D. C. Huffman.

Charity Hospital—Established 1851. Capacity 125. Ambulance service. Perry cor. Central av., Cleveland. Medical staff. Matron, Sister Helena.

Children's Hospital—Established 1894. Capacity 15. Cor. Miller and Fair avs., Columbus. House Physician, Dickson L. Moore. Matron, Bertha M. Voswinkel.

Chillicothe Hospital—Capacity 10. Chillicothe. President of Lady Board, Mrs. Manly.

Christ's Hospital—Established 1888. Capacity 100. Auburn av., Mt. Auburn. Medical staff. Superintendent, Hannah M. Pierce.

Cincinnati City Infirmary—Established 1853. Capacity 953. Ambulance service. Hartwell. Physician-in-charge, C. E. Shumard. Matron, Millie Goettle.

Cincinnati Homoeopathic Free Dispensary—Established 1860. Mound and 7th, Cincinnati. Physician-in-charge, J. A. Davis.

Cincinnati Hospital—Established 1821. Capacity 528. Ambulance service. 12th and Central av., Cincinnati. Physician-in-charge, Frank W. Hendley.

Cincinnati Sanitarium—Established 1873. Capacity 100. Hamilton av., College Hill, Cincinnati. Private. Physician-in-charge, Orpheus Everts. Matron, Mrs. O. Everts.

MEDICAL LAWS OF OHIO.

An Act to regulate the practice of medicine in the State of Ohio:
Section 1. Be it enacted by the General Assembly of the State of Ohio, That section 4403, Revised Statutes of Ohio, be amended so as to read as follows:

Sec. 4403. Within thirty days after the passage of this act, the governor, by and with the advice and consent of the senate, shall appoint a state board of medical registration and examination, consisting of seven members, one to serve for one year, one for two years, one for three years, one for four years, one for five years, one for six years, and one for seven years, and the successors of each for the term of seven years, who shall be physicians in good standing in their profession, representation to be given to schools of practice in the state as nearly as possible in proportion to their numerical strength in the state, but no one school to have a majority of the whole board. The board shall organize by electing a president and a treasurer, who shall be members of the board, and a secretary, who shall be a physician in good standing in his profession, each to serve for the term of one year. The treasurer shall give a bond in the sum of ten thousand dollars, with sureties approved by the board, for the faithful discharge of his duties. The secretary shall receive a salary of not exceeding fifteen hundred dollars per annum, to be fixed by the board, and his necessary expenses in performing his official duties. The members of the board shall each receive ten dollars per day for the time actually employed in the discharge of their duties and their necessary expenses while engaged therein. The board shall have a common seal, and shall formulate rules to govern its action. Its president and secretary shall have the power to administer oaths. The board shall meet in Columbus on the first Tuesday of January, April, July and October of each year, and at such other times as the board may appoint. Five members shall constitute a quorum. The board shall keep a record of all its proceedings, and a register of all applicants for certificates, giving the name and location of the institution granting the applicant the degree of doctor of medicine or surgery, and also whether the applicant was rejected or a certificate granted. The books and register of the board shall be prima facie evidence of all matters recorded therein.

Section 2 That section 4403 of the Revised Statutes be further supplemented by supplementary sections 4403c, 4403d, 4403e, 4403f and 4403g, as follows:

Sec. 4403c. No person shall practice medicine, surgery, or midwifery, in any of its branches, in this state, without first complying with the requirements of this act. If a graduate in medicine or surgery, he shall, either personally, or by letter or proxy, present his diploma to the state board of medical registration and examination for verification. Accompanying such diploma the applicant shall file his affidavit, duly attested, stating that the applicant is the person named in the diploma and is the lawful possessor of the same, and giving his age and the time spent in the study of medicine. If the board shall find the diploma to be genuine, and from a legally chartered medical institution in good standing, as determined by the board, and the person named therein be the person holding and presenting the same, the board shall issue its certificate to that effect, signed by its president and secretary, which, when left with the probate judge for record as hereinafter required, shall be conclusive evidence that its owner is entitled to practice medicine or surgery in this state.

If a legal practitioner of medicine under the laws of Ohio in force at the time of the passage of this act, but not a graduate of medicine or surgery, as above defined, he shall, either personally, or by letter or proxy, furnish the board an affidavit, duly attested, stating the period during which and the places at which he has been engaged in the practice of medicine or surgery. If the board is satisfied from the affidavit and other information received that the applicant was a legal practitioner of medicine in Ohio at the time of the passage of this act, it shall issue its certificate to that effect, which when left with the probate judge for record, shall be conclusive evidence that its owner is entitled to practice medicine or surgery in this state.

If engaged in the practice of medicine in this state at the time of the passage of this act, but not a legal practitioner under the laws in force at such time, nor a graduate in medicine or surgery as above defined, he shall present himself before the board and submit to such examination as to his qualifications for the practice of medicine or surgery as the board may require. If such applicant passes an examination satisfactory to the board, the board shall issue its certificate to that effect, which when left with the probate judge for record, shall entitle the owner to practice medicine or surgery in Ohio for a period of one year next ensuing from the date thereof.

The board may refuse to grant a certificate to any person guilty of felony or gross immorality, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery; and may after notice and hearing, revoke a certificate for like cause. An appeal may be taken from the action of the board refusing to grant or revoking a certificate for such cause, to the governor and attorney-

general, and the decision of which officers, either affirming or overruling the action of the state board shall be final.

All persons engaged in the practice of medicine or surgery in this state at the time of the passage of this act may continue in such practice for a period of ninety days after this law takes effect in order to permit them to apply for and obtain the certificate above required.

An affirmative of not less than five members shall be required to authorize the issuance or revocation of a certificate. The fee for a certificate issued upon the verification of a diploma or to a legal practitioner as above defined, shall be five dollars. For the examination of an applicant, the fee shall be twenty-five dollars. In the latter case the fee shall not be returned in the event of a failure, but the applicant may, within a year after such failure, present himself and be examined again without the payment of an additional fee. All fees shall be paid in advance to the treasurer of the board and by him covered into the state treasury to the credit of a fund which is hereby appropriated for the use of the state board of registration and examination. The compensation and expenses of members and officers of the board, and all expenses proper and necessary in the opinion of the board to discharge its duties under and enforce the law, shall be paid out of said fund upon the warrant of the auditor of state, issued upon requisitions signed by the president and secretary of the board.

Sec. 4403d. The person receiving a certificate to practice medicine or surgery under section 4403c, shall, before entering upon the practice, leave his certificate with the probate judge of the county in which he resides, for record. The probate judge shall record the same in a book to be kept for that purpose, and endorse on the margin of the record and on the certificate the time he received the same for record, and make a proper index to all certificates by him recorded. The probate judge shall note in the margin of the record the revocation of a certificate, or any change in the location or death of the owner of a certificate. Upon application, the probate judge shall make out a certified copy of any such certificate and the indorsements thereon, and such certified copy shall be prima facie evidence of all matters and facts therein contained. Between the first and thirty-first days of December in each year, the probate judge shall furnish the secretary of the state board a list of all certificates recorded and in force, and also a list of all certificates which have been revoked or the owners of which have removed from the county or died during the preceding year. In case of a change of residence, the owner of a certificate shall have the same recorded anew by the probate judge of the county into which he removes. For services under this section the probate judge shall receive the following fees: For recording and indexing each certificate, fifty cents, and for certified copies, the same fees as are allowed by law for copies and certificates of records kept by the probate judge, to be paid by the holder of the certificate.

Sec. 4403e. Every person practicing midwifery in this state at the time of the passage of this act, shall within ninety days thereafter file with the probate judge of the county in which she resides, an affidavit duly attested, giving her name, age, residence, the length of time during which and the place or places at which she has been engaged in said practice, and the special education, if any, which she has received to fit her for such practice. Thereupon, upon payment of a fee of five dollars (fifty cents of which the probate judge shall retain as his own fee, and the balance remit to the treasurer of the state board of registration and examination), the probate judge shall issue a certificate, upon a blank form furnished by the state board, which shall entitle the applicant and holder to practice midwifery in this state. Such certificates shall be recorded by the probate judge, and in case of a transfer of residence, again recorded in the county to which the midwife removes, as provided by section 4403d, regulating the record of physicians' certificates. The probate judge shall, annually, between the first and thirty-first days of December, furnish the secretary of the state board a list of all such certificates issued and in force, and also a list of all such certificates which have been revoked or the owners of which have removed from the county or died during the preceding year. All persons, desiring, after the passage of this act, to enter upon the practice of midwifery in this state, shall appear before the state board and submit to such examination in midwifery as the board shall require. If the applicant passes a satisfactory examination, the board shall, upon the payment of a fee of ten dollars, issue its certificate to that effect, which, when filed with the probate judge for record, as provided in section 4403d, shall entitle the owner and holder thereof to practice midwifery in this state. A certificate to practice midwifery may be refused or revoked for the same causes in the same manner as provided in section 4403c in the case of certificates to physicians and surgeons. The certificate granted to practice midwifery shall not give the holder the right to perform

CHICAGO OPHTHALMIC COLLEGE, Office, 103 State St., a School of Applied Ophthalmic Optics and Ophthalmology for Physicians and Opticians. The Oldest of its kind in America. H. M. MARTIN, M. D., Pres. See page 1469.

version, or treat breech or face presentation, or do any obstetric operation requiring instruments, or to treat any other abnormal condition, except in emergencies.

Sec. 4403f. Any person shall be regarded as practicing medicine or surgery within the meaning of this act who shall append the letters M. D. or M. B. to his name, or for a fee prescribe, direct or recommend for the use of any person, any drug or medicine or other agency for the treatment, cure or relief of any wound, fracture or bodily injury, infirmity or disease; provided, however, that nothing in this act shall be construed to prohibit service in the case of emergency, or the domestic administration of family remedies; and this act shall not apply to any commissioned medical officer of the United States army, navy or marine hospital service in the discharge of his professional duties, nor to any legally qualified dentist when engaged exclusively in the practice of dentistry, nor to any physician or surgeon from another state or territory, who is a legal practitioner of medicine or surgery in the state or territory in which he resides, when in actual consultation with a legal practitioner of this state, nor to any physician or surgeon residing on the border of a neighboring state, and duly authorized under the laws thereof to practice medicine or surgery therein, whose practice extends into the limits of this state; providing that such practitioner shall not open an office or appoint a place to meet patients or receive calls, within the limits of this state.

Sec. 4403g. Any person practicing medicine or surgery as defined in section 4403f in this state, without having first complied with the provisions of sections 4403c and 4403d, except as herein provided, shall be deemed guilty of a misdemeanor, and shall be fined not less than twenty dollars nor more than five hundred dollars, or be imprisoned in the county jail not less than thirty days nor more than one year, or both. Any person practicing midwifery in this state without having complied with the provisions of section 4403e, except as therein provided, shall be deemed guilty of a misdemeanor and fined not less than twenty-five dollars nor more than one hundred dollars. Any person who shall file, or attempt to file as his own, the medical diploma or certificate to practice of another, or shall file or attempt to file, a false forged affidavit of his identity, or shall wilfully swear falsely to any question which may be propounded to him on his medical examination, or to any affidavit required to be made or filed by him with the state board of medical registration and examination, shall be guilty of a felony and be imprisoned in the penitentiary not more than five years nor less than one year. Such fines when collected shall be paid, one-third to the person, corporation or medical society making the complaint or furnishing the information, one-third to the poor fund of the county, and one-third to the state board of medical registration and examination. The secretary of the state board of medical registration and examination is charged with the duty of enforcing this act. If he have knowledge or notice that the act has been or is being violated, he shall investigate the matter, and upon probable cause appearing, shall file a complaint and prosecute the offender. It shall be the duty of the prosecuting attorney, when requested by such secretary, to take charge of and conduct such prosecutions.

Section 3. Original sections 4403 and 6992 are hereby repealed, and this act shall take effect and be in force from and after its passage.

Passed February 27 1896.

SHEPARD'S SANITARIUM, COLUMBUS, OHIO,

TWO SEPARATE DEPARTMENTS.

ON THE COTTAGE PLAN.

A DEPARTMENT FOR NERVOUS AND CHRONIC DISEASES.
A NEW DEPARTMENT FOR MENTAL DISEASES.

For forty-three years, Dr. Shepard has successfully conducted this private institution. Massage, Electricity, Electric Baths and other modern treatment used as indicated.

THE NEW DEPARTMENT FOR MENTAL DISEASES is warmed by a hot water heater and is up to date with other equipments. Constant personal supervision and night attendants

Patients find *the Sanitarium* a beautiful place where they secure rest and comfort while being treated. Write us, state patient's condition, and ask for terms of admission.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

THE ELSBERG Nose, Throat and Ear Dispensary

— AND —

**Clinical School of Rhinology, Laryngology
and Otology.**

ESTABLISHED IN 1890.

1119 Elm Street, below 12th, CINCINNATI, OHIO.

An independent modern Clinical School for the practical teaching of
the above branches of medicine. Open to all Students and
Medical Practitioners who desire practical clinical
teaching and instruction in these branches.

Not connected with any Medical
College. In charge of

Eric E. Sattler, M. D.

ASSISTANTS:

A. D. MURPHEY, M. D.

EDWARD CUNDELL-JULER, M. D.

Between 7,000 and 8,000 charity cases are annually treated at this dispensary and almost 100 students and practitioners from all parts of the United States have availed themselves of the practical instruction afforded by this immense array of varied cases.

No expense has been spared to make this dispensary a modern one in all the appliances known to science. The facilities for teaching and demonstrating the diseases of these organs are unsurpassed. Each student has his own stall and instruments so that he can personally examine and treat patients, and follow each case from beginning to end. To the more advanced, opportunities are offered for the removal of nasal polypi, adenoid vegetations, enlarged tonsils, as well as the practice of galvano-cautery operations on the nose and throat, etc. Politzerization and Catheterization of the Eustachian tubes can be practiced daily.

FEES:—Course of 6 weeks, \$10. Courses can commence at any time throughout the whole year. Classes limited to 7.

For further information address

ERIC E. SATTLER, M. D.,

109 Garfield Place, CINCINNATI, O.

THE CLINICAL CHRONICLE.

A modern practical Journal published ter-annually, January, May and September.
10 cents a copy, 25 cents a year.

Practical Clinical pictures from the Elsberg Nose, Throat and Ear Dispensary. Reports of cases, methods of treatment, new instruments and appliances. The good and the bad equally threshed and briefly told, easily digested for the special and general practitioner.

ERIC E. SATTLER, M. D., Editor and Publisher,

109 Garfield Place, CINCINNATI, OHIO.

Just the journal for the general practitioner to keep up with the advances in this specialty. Send for sample copy.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

Dr. Martin's VACCINE VIRUS.

The postoffice address is shown in Display Type, the name of county in which is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name the first number (the key to which will be found on page 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

CORDIAL PAS-CARNATA.
The WM. S. MERRELL CHEMICAL CO.,
Cincinnati, Sole Manufacturers.

A soporific without narcotic action, also anti-spasmodic and anti-neuralgic. In infantile convulsions, in diarrhoea of children and in nervous affections of the aged and infirm, it is the remedy par excellence. Write for laboratory notes.

The postoffice address is shown in **Display Type**, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

LISTS OF NAMES.

ANY TRADE, BUSINESS OR PURSUIT

SUPPLIED BY

R. L. POLK & CO.,

DETROIT OR CHICAGO.

Complete, Accurate and Reliable Addresses.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

No person shall be permitted to practice (medicine) in any of its departments in this territory, unless he be a graduate of a medical college, or unless, upon examination before a board composed of the county superintendent of public health, and two other physicians to be selected by the territorial board of health, such person shall be found proficient in the practice of medicine and surgery, and shall be found upon proof to have been actually engaged in the practice of medicine for a term of not less than five years, and no person shall practice medicine unless he be of good moral character, and is not an habitual

drunkard. Any person possessing the qualifications mentioned in this section shall, upon presentation of his diploma, or proof thereof by affidavit, if the same is lost or destroyed, and upon the affidavit of two reputable citizens from the county where he resides, that such applicant possesses the qualifications of a physician as prescribed herein, to the superintendent of public health, together with a fee of two dollars, receive from such superintendent of public health a license certifying the applicant to be a practicing physician and having the qualifications for such, as prescribed in this section, which license shall be recorded in the office of the register of deeds in the county where such practicing physician resides. Any person who practices medicine or attempts to practice medicine without complying with the provisions of this section, shall be deemed guilty of a misdemeanor, and any person shall be regarded as practicing medicine within the meaning of this section who shall profess publicly to be a physician and to prescribe for the sick, or who appends to his name M. D., but nothing in this section shall be construed to prohibit students from prescribing under the supervision of preceptors, or to prohibit gratuitous services in case of emergency, nor shall this section apply to commissioned surgeons in the United States army and navy. Any person violating any of the provisions of this act, or who shall prevent or attempt to prevent the several officers of the public health, or persons employed by them, from performing any of the duties prescribed in this act to be performed by any such officers, or any practicing physician who shall fail to report to the county superintendent of health the existence of any contagious or infectious diseases, and any person who shall wilfully conceal any case of contagious or infectious disease, either among persons or animals, shall be deemed guilty of a misdemeanor. The district court shall, upon the complaint any member of the territorial board of health, or the county board of health where he resides, have power to cancel any license that may be issued to any person to practice medicine, where such license was fraudulently obtained, or where the person to whom such license was issued has been guilty of violating any provisions of this act.

OREGON.

CAPITAL, SALEM.

Population of State, 313,767.

(Census of 1890.)

Males	181,840	Native	256,450
Females	131,927	Foreign	57,317
White ..	301,758	Chinese	9,565
Colored	1,186	Indians	1,258

Number of physicians... 653

The State of Oregon extends from 42 degrees to 46 degrees 18 minutes north latitude, and from 116 degrees 40 minutes to 124 degrees 25 minutes west longitude, and is bounded on the north by Washington Territory, from which it is partly separated by the Columbia river, on the south by California and Nevada, on the east by Idaho, and on the west by the Pacific Ocean. It comprises an area of 95,274 square miles, or 60,975,360 acres, and is divided unequally by the Cascade Mountains.

The principal rivers are the Columbia, the Snake, the Willamette, the Umpqua, the Rogue and the Klamath.

The climate is mild, equable and salubrious. the mean annual temperature ranging from 44 degrees near the Cascade Mountains to 59 degrees in the vicinity of the ocean. The average annual rainfall increases from 44 inches in the mountains to 60 near the sea coast.

The following table shows increase in population from 1850 to 1890:

1850.....	13,294	1880... ..	174,768
1860.....	52,465	1890... ..	313,767
1870.....	90,923		

There are a number of mineral springs in Oregon.

There are two medical colleges in the State, the Medical Department Willamette University, Salem, and the University of the State of Oregon, Medical Department, Portland.

Rate of Mortality in Oregon, as computed from U. S. Census of 1890:

Population.	Deaths in 1890	Rate per 1,000	White	Colored	Rate per 1,000, White.	Rate per 1,000, Colored.
313,767	2,575	8.21	2,537	38	8.41	3.16

Total number of deaths from consumption during 1890 was 305. which was at the rate of .97 per 1,000 of population, or 118.45 per 1,000 of total deaths.

For List of Medical Colleges. see page 101.

Pacific Coast Association of Insurance Examiners—Secretary, H. W. Coe M. D., Portland.

Portland Medical Society—Secretary, W. F. Amos, Dekum Bldg., Portland.

Umatilla Medical Society.*

MEDICAL LAWS OF OREGON.

An Act to regulate the practice of medicine and surgery in the state of Oregon, and to license physicians and surgeons; to punish all persons violating the provisions of this act, and to repeal all laws in conflict therewith, and declaring an emergency.

Be it enacted by the Legislative Assembly of the state of Oregon:
Section 1. The governor shall appoint five persons from among the most competent physicians of the state, all of whom shall have been residents of the state for seven years and of at least five years' practical experience in their profession, who shall be known as the Board of Examiners for the state of Oregon. Three of the board shall be regulars, one eclectic and one homeopathist, one of whom shall hold his office for five years, one for four years and one for three years and one for two years and one for one year, and each until his successor shall be appointed

and qualified, and each year thereafter another commissioner shall be appointed for five years, and until a successor be appointed and qualified. If a vacancy occur in said board, another shall be appointed as aforesaid to fill the unexpired term thereof.

Sec. 2. The members of said Medical Examining Board shall, before entering upon their duties as such members, take and subscribe an oath to support the constitution and laws of the state of Oregon and of the United States, and to well and faithfully and without partiality perform the duties of such office according to the best of their knowledge and ability; which oaths shall be filed and preserved of record in the office of the secretary of said board. Said Medical Examining Board shall elect a president, secretary and treasurer, and shall have a common seal. The president and secretary shall have the power to administer oaths. Said Medical Examining Board shall hold meetings for examination on the first Tuesday of January and July of each year. Said meetings shall be held at Portland, Oregon; and provided, that the board may call special meetings when in the opinion of a majority of said board such special meetings are necessary. Said board shall keep a record of all the proceedings thereof, and also a record or register of all applicants for a license, together with his or her age, the time such applicants shall have spent in the study and practice of medicine and surgery, if they shall have so practiced at all, and the name and location of all institutions granting to such applicants degrees or certificates of lectures in medicine or surgery. Said record or register shall also show whether such applicant was rejected or licensed under this act. Said books and register shall be prima facie evidence of all matters therein recorded.

Sec. 3. Every person, except as hereinafter provided, desiring to practice medicine and surgery, or either of them, in any of their or its branches in this state, shall make a written application to said board for a license so to do, which application shall be supported and accompanied by an affidavit of such application (applicant), setting forth the actual time spent by the applicant in the study of medicine and surgery, and when, whether such study was in an institution of learning, and if so, the name and location thereof, and if not in such (an) institution, where and under whose tutorship such study was prosecuted, the time said applicant shall have been engaged in the actual practice, if at all, of medicine and surgery, or either of them, and where the applicant was located during the time of such practice, and the age of the applicant at the time of making application; such application and affidavit to be filed and preserved of record in the office of the secretary of said board. Such applicant, at the time and place designated by said board, or at the regular meeting of said board, shall submit to an examination in the following branches, to wit: Anatomy, physiology, chemistry, materia medica, therapeutics, practice of medicine, surgery, obstetrics, diseases of women, medical jurisprudence and such other branches as the board shall deem advisable. Said board shall cause such examination to be both scientific and practical and of sufficient severity to test the candidate's fitness to practice medicine and surgery, which examination shall be by written or printed, or partly written or partly printed, questions and answers, and the same shall be filed and preserved of record in the office of the secretary of said board. After examination, if the same is satisfactory, said board shall grant a license to such applicant to practice medicine and surgery in the state of Oregon, which said license can only be granted by the consent of not less than four (4) members of said board, except as hereinafter provided, in (and) which said license shall be signed by the president and secretary of said board, and attested by the seal thereof. The fee for such examination shall be ten (10) dollars and shall be paid by the applicant to the treasurer of said board toward paying the expenses thereof; and such board may refuse or revoke a license for unprofessional or dishonorable conduct, subject, however, to the right of such applicant to appeal from the decision of said board refusing or revoking such license, as hereinafter provided; provided, that all persons who have been regularly licensed under heretofore existing laws of this state, and have complied with the provisions thereof, shall be taken and considered as licensed physicians under this act, and the secretary of the board herein provided for shall enter the names of such persons upon the register kept by him, as licensed physicians and surgeons, upon the written application of such person, accompanied with such license heretofore regularly issued.

Sec. 4. The words "unprofessional" or "dishonorable conduct," as used in section three (3) of this act, are hereby declared to mean:

First, the procuring or aiding or abetting in procuring a criminal abortion;

Second, the employing of what are popularly known as "cappers" or "steerers";

BUCKLEY'S UTERINE TONIC Cures where others fail.
Samples and valuable literature on request. . . THE ABBOTT ALKALOIDAL CO., Station X, CHICAGO.

1232

Oregon.

R. L. POLK & CO.'S

Oregon.

Third, the obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured;

Fourth, the wilfully betraying of a professional secret;

Fifth, all advertising of medical business in which untruthful and improbable statements are made;

Sixth, all advertising of any medicines, or of any means whereby the monthly periods of women can be regulated, or menses re-established if suppressed;

Seventh, conviction of any offense involving moral turpitude;

Eighth, habitual intemperance.

Sec. 5. In any case of the refusal or revocation of a license by said board under the provisions of this act, said board shall file a brief and concise statement of the grounds and reasons for such refusal or revocation in the office of the secretary of said board, which said statement, together with the decision of said board in writing, shall remain of record in said office. Before a license can be revoked by said board for unprofessional or dishonorable conduct under the provisions of this act, a complaint of some person under oath must be filed in the office of the secretary of said board, charging the acts of unprofessional or dishonorable conduct and facts complained of against the licentiate accused, in ordinary and concise language; and thereupon said board shall cause to be served upon such accused licentiate a written notice and copy of such complaint, which said notice shall contain a statement of the time and place of hearing of the matters and things set forth and charged in such complaint; and said notice shall be served at least ten days prior to the time of such hearing. Such accused licentiate may appear at such hearing and defend against the accusations of such complaint, personally and by counsel, and may have the sworn testimony of witnesses taken and present other evidence in his behalf at such hearing, and said board may receive the arguments of counsel at such hearing.

Sec. 6. In any case of the refusal or revocation of a license by said board under the provisions of this act, the applicant whose application shall be so refused, and the licentiate whose license shall be revoked by said board, shall have the right to appeal from the decision so refusing or revoking such license within thirty days after the filing of such decision in the office of the secretary of said board as hereinbefore in this act provided. Such appeal shall be to the circuit court in and for the county in which was held the last general meeting of said board, prior to the refusal of such license, in case of such refusal; and to the circuit court in and for the county in which the hearing was had upon which such license was revoked, in case of revocation. In any case, a person desiring to take such appeal shall serve, or cause to be served, upon the secretary of said board, a written notice of such appeal, which shall contain a statement of the grounds of such appeal, and shall file in the office of such secretary an appeal bond with good and sufficient surety, to be approved by said secretary, to the state of Oregon, conditioned for the speedy prosecution of such appeal and the payment of such cost as may be adjudged against him upon such appeal. Said secretary shall, within ten (10) days after the service of said notice of appeal and the filing and approval of said appeal bond, transmit to the clerk of the circuit court to which such appeal is taken a certified copy under the seal of said board, and the grounds thereof in the case of the refusal of license; and in addition thereto a certified copy, under such seal, of the complaint in the cause of the revocation of a license, together with the bond and notice of appeal. The clerk of such court shall thereupon docket such appeal causes, and they shall stand for trial in all respects as ordinary civil actions, and like proceedings be had thereon. Upon such appeal said cause shall be tried de novo. Either party may appeal from the judgment of said circuit court to the supreme court of the state in like manner as in civil actions, within sixty (60) days after the rendition and entry of such judgment in said superior court. If such judgment shall be in favor of the party appealing from decision of said board, and in case said Examining Board does not appeal from judgment within sixty (60) days, then and in that case said board shall, at the end of sixty (60) days, and immediately upon the expiration thereof, issue to such successful party the usual license to practice medicine and surgery in this state, and in addition thereto shall reinstate upon the records of said board the name of such successful applicant in case of the revocation of his license by such board. In case of such appeal to the supreme court by said board, no such license shall be issued or reinstatement be required until the final determination of said cause, as hereinafter provided. In case the final decision of the supreme court be against said Medical Examining Board, then and in that case said court shall make such order in the premises as may be necessary, and said board shall act accordingly; provided, that in no case shall an appeal bond be required of said board, nor shall any costs be adjudged or taxed against same.

Sec. 7. The person receiving said license shall file the same, or a copy thereof, with the county clerk in and for the county where he resides, and said county clerk shall file said certificate, or copy thereof, and enter a memorandum thereof, giving the date of said license and the name of the person to whom the same is issued, and the date of such filing, in a book to be provided and kept for that purpose; and said county clerk shall each year furnish to the secretary of said board a list of all certificates on file in his office, and upon notice to him of the change of location or death of a person so licensed, or of the revocation of the license granted to such person, said county clerk shall enter at the appropriate place in the record so kept by him a memorandum of said facts, so that the records kept by said county clerk shall correspond with the records of the board as kept by the secretary thereof. In case a person so licensed shall move into another county of this state, he or she shall procure from the county clerk a certified copy of said license and file the same with the county clerk in the county to which he or she shall remove. Said county clerk shall file and enter the same with like effect as if the same was the original license.

Sec. 8. Any person practicing medicine or surgery within this state after the first day of April, eighteen hundred and ninety-five, without first having obtained the license herein provided for, or contrary to the provisions of this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not less than fifty (\$50) dollars nor more than one hundred (\$100) dollars, or by imprisonment in the county jail not less than ten nor more than ninety days, or by both such fine and imprisonment. All such fines shall be paid into the state treasury for the use and benefit of the common schools. Any person shall be regarded as practicing within the meaning of this act who shall append the letters "M. D." or "M. B." to his or her name, or, for a fee, prescribe, direct or recommend for the use of any person, any drug or medicine or agency for the treatment, care or relief of any wound, fracture or bodily injury, infirmity or disease; provided, however, the act shall not apply to dentists in the practice of their dental profession. Justices of the peace and the respective municipal courts shall have jurisdiction of violations of the provisions of this act. It shall be the duty of the respective county or district attorneys to prosecute all violations of this act. In cases of appeals to the circuit court, as hereinbefore provided, it shall be the duty of the district attorney of the county wherein such appeal shall be tried to represent said board upon said appeal, and in all cases of appeal to the supreme court under the provisions of this act, the attorney-general shall represent said board upon such appeal.

Sec. 9. All laws and parts of laws in conflict herewith are hereby repealed.

Sec. 10. Whereas great harm and much bodily suffering and pain may result from the insufficiency of our present medical and surgery laws, therefore an emergency is declared to exist, and this act shall take effect and be in force from and after its approval by the governor.

Approved February 23, 1895.

The postoffice address is shown in **Display Type**, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians

the west by Ohio and West Virginia. The principal rivers of Pennsylvania are the Ohio river, which is formed at Pittsburg by the confluence of the Allegheny and Monongahela rivers; the Susquehanna river, which drains a large area; the Delaware river, the Juniata river, the Lehigh, Schuylkill and Brandywine rivers, besides which, innumerable streams and creeks irrigate and drain the entire State. The climate varies with the elevation; the higher portions are cool in summer, and the winters in these regions are very severe, while the lower portions have very warm summers and mild winters. The mean annual temperature ranges from 44 degrees in the northern counties to 52 degrees in the southeast, and the rainfall varies in like manner from 38 inches to 45 inches, and even more in the southeast corner.

The following table shows increase in population during 70 years:

1820.....	1,047,507	1860.	2,906,215
1830.....	1,348,233	1870... ..	3,521,951
1840.....	1,724,033	1880.....	4,282,891
1850.....	2,311,786	1890.....	5,258,014

There are numerous well known mineral springs in the State.

The following is a list of medical colleges in Pennsylvania: University of Pennsylvania Department of Medicine, Philadelphia; Jefferson Medical College, Philadelphia; Hahnemann Medical College, Philadelphia; Women's Medical College of Pennsylvania, Philadelphia; Medico-Chirurgical College of Philadelphia, Philadelphia; Western Pennsylvania Medical College, Pittsburg.

Rate of Mortality in Pennsylvania, as computed from the U. S. Census of 1890.

Population.	Deaths in 1890.	Rate per 1000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
5,258,014	73,530	13.98	71,147	2,383	13.82	21.71

The total number of deaths from consumption during 1890 was 7,689, which was at the rate of 1.46 per 1,000 of population, or 104.57 per 1,000 of total deaths.

For list of Medical Colleges, see page 101.

Cambria Hospital (for accidents and injuries only)—Capacity 16.

BURN-BRAE

A Private Hospital for Mental and Nervous Diseases.

Founded by the late ROBERT A. GIVEN, M. D., 1859.

CLIFTON HEIGHTS, DELAWARE CO., PA.

This Institution is located a few miles west of the City of Philadelphia, and is designed to accommodate a limited number of patients of each sex.

Burn-Brae has been in operation for more than thirty years, and now numbers its friends in all sections of the Union. No better proof of the confidence reposed in its management by the profession and the community at large could be given, than the extensive improvements and additions that have been made during the last few years—not for the purpose of adding to the number of patients already provided for, but in order to increase the size of the old dormitories, and of erecting conservatories in the ladies' apartments.

The grounds, originally twenty-five acres in extent, have been increased to fifty-eight acres, thus, besides securing to the inmates perfect privacy, affording them in their walks the pleasing variety of hill and valley, meadow, brook and woodland.

The fact is now fully recognized by psychological physicians, that the less we treat the insane as exceptional beings, by immuring them in large hospitals, under strict discipline and modes of life widely different from the social amenities of home, the more likely is recovery to take place. Hence the advantage of small establishments where the arrangements are homelike and familiar.

It is the desire of the management of Burn-Brae to make it in every respect a home for their guests. The location is beautiful and salubrious; the house, though possessing all the safeguards and appliances of a public hospital, in external appearance and internal arrangements presents nothing to unfavorably impress the inmates.

The agreeable and soothing influence of music; the in-door games of chess, billiards, backgammon, ten-pins, shuffle-board; the open air amusements of croquet, lawn-tennis, cricket, football and boating, are provided for and daily resorted to by patients.

A lady, well educated and of exceptionable manners and deportment, resides in the same apartments and devotes her time to the lady patients, thus securing them on all occasions a pleasant companion and a watchful friend.

Access from Philadelphia by the Baltimore Pike, or take cars for Primos Station, on Central Division of P., W. & B. R. R., Depot Broad and Filbert Streets, Philadelphia.

RESIDENT MEDICAL OFFICERS:

J. WILLOUGHBY PHILLIPS, M. D. S. A. MERCER GIVEN, M. D.

MEDICAL LAWS OF PENNSYLVANIA.

AN ACT TO ESTABLISH A MEDICAL COUNCIL AND THREE STATE BOARDS OF MEDICAL EXAMINERS, TO DEFINE THE POWERS AND DUTIES OF SAID MEDICAL COUNCIL AND SAID STATE BOARDS OF MEDICAL EXAMINERS, TO PROVIDE FOR THE EXAMINATION AND LICENSING OF PRACTITIONERS OF MEDICINE AND SURGERY, TO FURTHER REGULATE THE PRACTICE OF MEDICINE AND SURGERY, AND TO MAKE AN APPROPRIATION FOR THE MEDICAL COUNCIL.

Whereas, The safety of the public is endangered by incompetent physicians and surgeons, and due regard for public health and the preservation of human life demands that none but competent and properly qualified physicians and surgeons shall be allowed to practice their profession;

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same: That there shall be established a medical council of Pennsylvania, consisting of the Lieutenant-Governor, the Attorney General, the Secretary of Internal Affairs, the Superintendent of Public Instruction and the President of the State Board of Health and Vital Statistics, and the Presidents of the three State Boards of Medical Examiners provided for in this act.

Sec. 2. The said council shall be known by the name and style of the Medical Council of Pennsylvania, and may make and adopt all necessary rules and regulations and by-laws not inconsistent with the Constitution

"ALPHA." See Advertisement, p. 12.

and laws of this commonwealth, or of the United States, and shall have power to locate and maintain an office within this State for the transaction of business; five members of the said council shall constitute a quorum for the transaction of business.

Sec. 3. The said council shall organize at Harrisburg within ten days from the date of the organization of three boards of medical examiners, and shall elect from its own number a president and a secretary who shall also act as treasurer, both of whom shall hold their offices for one year, or until their successors are chosen.

Sec. 4. The members of said council shall receive no salary, except the secretary and treasurer, who shall receive a salary of not over five hundred dollars, and who shall file with the president of the council a bond in the sum of one thousand dollars conditioned for the faithful performance of his duties. The necessary expenses of the said council shall be paid out of the appropriation made in section sixteen of this act, and any balance remaining from the appropriation after the disbursements herein specified shall be paid into the treasury of the commonwealth.

Sec. 5. The said medical council shall hold two stated meetings in each year at Harrisburg and may hold special meetings at such times and places as it may deem proper. It shall supervise the examinations conducted by the three State Boards of Medical Examiners of all applicants for license to practice medicine and surgery in this commonwealth, and shall issue licenses to practice medicine and surgery to such applicants as have presented satisfactory and properly certified copies of licenses from State Boards of Medical Examiners, or State Boards of Health of other States, as provided for in section thirteen of this act, or as have successfully passed the examination of one of the three State Boards of Medical Examiners, but all such examinations shall be made by the State Boards of Medical Examiners established in section six of this act. And the said Medical Council shall have no power, duty or functions except such powers, duties and functions as pertain to the supervision of the examinations of applicants for licenses to practice medicine and surgery and to the issuing of licenses to such applicants as have successfully passed the examination of one of the State Boards of Medical Examiners, or have presented satisfactory and properly certified copies of licenses from State Boards of Medical Examiners, or State Boards of Health of other States, as provided for in section thirteen of this act.

Sec. 6. It is further enacted that from and after the first day of March, Anno Domini one thousand eight hundred and ninety-four, there shall be and continue to be three separate Boards of Medical Examiners for the State of Pennsylvania, one representing the Medical Society of the State of Pennsylvania, one representing the Homoeopathic Medical Society of the State of Pennsylvania, one representing the Eclectic Medical Society of the State of Pennsylvania.

Each board shall consist of seven members, and each of said members shall serve for a term of three years from the first day of March next after his appointment, with the exception of those first appointed, who shall serve as follows: Two of each board for one year, two of each board for two years, and three of each board for three years, from the first day of March, Anno Domini one thousand eight hundred and ninety-four.

The Governor shall appoint the members of said boards of examiners, respectively, from the full lists of the members of said medical societies, which list shall on or before the first day of January, one thousand eight hundred and ninety-four, and annually thereafter, be transmitted to the Governor under the seal and signed by the secretary of the society so nominating. From these lists of nominees respectively the Governor shall during the month of January, Anno Domini one thousand eight hundred and ninety-four, appoint three separate Boards of Medical Examiners, each board to be composed exclusively of members of the same medical society. In case of failure of any or all of said medical societies to submit lists, as aforesaid, the Governor shall appoint members in good standing of the corresponding society or societies, entitled to nominate without other restrictions. Each one of the said appointees must be a registered physician in good standing and shall have practiced medicine or surgery under the laws of this State for a period of not less than ten years prior to such appointment.

The Governor shall fill vacancies by death or otherwise, for unexpired terms of said examiners from the respective lists submitted by the said medical societies, and may remove any member of any of said boards for continued neglect of the duties required by this act, or on recommendation of the medical society of which said members may be in affiliation for unprofessional or dishonorable conduct.

The Governor shall, in his first appointments, designate the number of years for which each appointee shall serve. The appointments of successors to those members whose term of office will expire on the first day of March of each year shall be made by the Governor during the month of January of such year, upon the same conditions and requirements as here-

CAMPHO-PHÉNIQUE POWDER ABSOLUTELY SUPERIOR TO IODOFORM. . . .

Pennsylvania. MEDICAL AND SURGICAL REGISTER. *Pennsylvania.* 1257

inbefore specified with reference to the appointment of three separate examining boards, each to be composed exclusively of members of the same medical school and society as hereinbefore provided.

Sec. 7. Said boards shall be known by the name and style of Boards of Medical Examiners of the State of Pennsylvania. Every person who shall be appointed to serve on either of said boards shall receive a certificate of appointment from the Secretary of the Commonwealth.

Each of said boards shall be authorized to take testimony concerning all matters within its jurisdiction, and the presiding officer for the time being of either of said boards, or of any of the committees thereof, may issue subpoenas and administer oaths to witnesses. Each of said boards of examiners shall make and adopt all necessary rules, regulations and by-laws not inconsistent with the Constitution and laws of this State, or of the United States, whereby to perform the duties and transact the business required under the provisions of this act; said rules, regulations and by-laws to be subject to the approval of the Medical Council of Pennsylvania established by this act.

Sec. 8. From the fees provided by this act the respective boards may pay, not to exceed said income, all proper expenses incurred by its provisions, and if any surplus above said expenses shall remain at the end of any year it shall be apportioned among said examiners pro rata according to the number of candidates examined by each: Provided, That the Medical Council shall keep separate accounts of all fees received from physicians applying for licenses to practice medicine or surgery and shall not devote any such fees to the use of the council, or to the uses or remuneration of any other examining board than that of the society with which the physician who pays the fee wishes to be affiliated.

Sec. 9. The first meeting of each of the examining boards respectively shall be held on the first Tuesday of April, one thousand eight hundred and ninety-four, suitable notice in the usual form being given with the notice of their appointment by the Secretary of the Commonwealth to each of the members thereof, specifying the time and place of meeting.

At the first meeting of each of the boards respectively an organization shall be effected by the election, from their own membership, of a president and secretary. For the purpose of examining applicants for license each of said boards of medical examiners shall hold two or more stated or special meetings in each year, due notice of which shall be made public at such times and places as they may determine. At said stated or special meetings a majority of the members of the board shall constitute a quorum thereof, but the examination may be conducted by a committee of one or more members of the board of examiners duly authorized by said board.

Sec. 10. The several boards of medical examiners shall not less than one week prior to each examination, submit to the Medical Council of Pennsylvania questions for thorough examinations in anatomy, physiology, hygiene, chemistry, surgery, obstetrics, pathology, diagnosis, therapeutics, practice of medicine and materia medica; from the lists of questions so submitted the council shall select the questions for each examination, and such questions for each examination shall be the same for all candidates, except that in the departments of therapeutics, practice of medicine and materia medica, the questions shall be in harmony with the teachings of the school selected by the candidate.

Sec. 11. Said examinations shall be conducted in writing in accordance with the rules and regulations prescribed by the Medical Council of Pennsylvania and shall embrace the subjects named in section ten of this act. After each such examination the board having charge thereof shall, without unnecessary delay, act upon the same. An official report of such action, signed by the president, secretary and each acting member of said board of medical examiners, stating the examination, average of each candidate in each branch, the general average and the result of the examination, whether successful or unsuccessful, shall be transmitted to the Medical Council. Said report shall embrace all the examination papers, questions and answers thereto. All such examination papers shall be kept for reference and inspection for a period of not less than five years.

Sec. 12. On receiving from any of said boards of medical examiners such official report of the examination of any applicant for license, the Medical Council shall issue forthwith to each applicant who shall have been returned as having successfully passed said examination, and who shall have been adjudged by the Medical Council to be duly qualified for the practice of medicine, a license to practice medicine and surgery in the State of Pennsylvania. The Medical Council shall require the same standard of qualifications from all candidates, except in the departments of therapeutics, practice of medicine and materia medica, in which the standard shall be determined by each of the boards respectively. Every license to practice medicine and surgery issued pursuant to this act shall be subscribed by the officers of the Medical Council and by each medical examiner who reported the licentiate as having successfully passed said examinations. It shall

also have affixed to it by the person authorized to affix the same the seal of this Commonwealth.

Before said license shall be issued it shall be recorded in a book to be kept in the office of the Medical Council, and the number of the book and page therein containing said recorded copy shall be noted upon the face of said license. Said records shall be open to public inspection, under proper restrictions as to their safe-keeping, and in all legal proceedings shall have the same weight as evidence that is given to the conveyance of land.

Sec. 13. From and after the first day of July, Anno Domini, one thousand eight hundred and ninety-four, any person not theretofore authorized to practice medicine and surgery in this state, and desiring to enter upon such practice, may deliver to the secretary of the medical council, upon the payment of a fee of twenty-five dollars, a written application for license, together with satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a competent common school education, and has received a diploma conferring the degree of medicine from some legally incorporated medical college of the United States, or a diploma or license conferring the full right to practice all the branches of medicine and surgery in some foreign country; applicants who shall have received their degree in medicine after the first day of July, one thousand eight hundred and ninety-four, must have pursued study of medicine for at least three years, including three regular courses of lectures, in different years, in some legally incorporated medical college or colleges, prior to the granting of said diploma, or foreign license, and after the first day of July, eighteen hundred and ninety-five, such applicants must have pursued the study of medicine for at least four years, including three regular courses of lectures, in different years, in some legally incorporated medical college, or colleges, prior to the granting of said diploma or foreign license. Such proof shall be made, if required, upon affidavit. Upon the making of said payment and proof the medical council, if satisfied with the same, shall issue to said applicant an order for examination before such one of the State Boards of Medical Examiners as the applicant for license may select. In case of failure at any such examination the candidate, after the expiration of six months and within two years, shall have the privilege of a second examination by the same board to which application was first made, without the payment of an additional fee: And it is provided further, That applicants examined and licensed by State Boards of Medical Examiners or State Boards of Health of other States, on payment of a fee of fifteen dollars to the Medical Council, and on filing in the office of the Medical Council a copy of said license certified by the affidavit of the president or secretary of such Board showing also that the standard of acquirements adopted by said State Board of Medical Examiners or State Board of Health, is substantially the same as is provided by sections eleven, twelve and thirteen of this act, shall without further examination receive a license conferring on the holder thereof all the rights and privileges provided by sections fourteen and fifteen of this act.

Sec. 14. From and after the first day of March, Anno Domini one thousand eight hundred and ninety-four, no person shall enter upon the practice of medicine or surgery in the State of Pennsylvania, unless he or she has complied with the provisions of this act, and shall have exhibited to the prothonotary of the court of common pleas of the county in which he or she desires to practice medicine or surgery, a license duly granted to him or her as hereinbefore provided, whereupon he or she shall be entitled upon the payment of one dollar to be duly registered in the office of the prothonotary of the court of common pleas in the said county, and any person violating any of the provisions of this act shall be guilty of a misdemeanor, and upon conviction thereof in the court of quarter sessions of the county wherein the offense shall have been committed, shall pay a fine of not more than five hundred dollars for each offense.

Sec. 15. Nothing in this act shall be construed to interfere with or punish commissioned medical officers serving in the army or navy of the United States, or in the United States Marine Hospital service while so commissioned, or medical examiners of relief departments of railroad companies while so employed, or any one while actually serving as a member of the resident medical staff of any legally incorporated hospital, or any legally qualified and registered dentist exclusively engaged in the practice of dentistry, or shall interfere with or prevent the dispensing and sales of medicines or medical appliances by apothecaries, pharmacists, or interfere with the manufacture of artificial eyes, limbs or orthopedical instruments or trusses of any kind for fitting such instruments on persons in need thereof, or any lawfully qualified physicians and surgeons residing in other States or countries, meeting registered physicians of this State in consultation, or any physician or surgeon residing on the border of a neighboring State and duly authorized under the laws thereof to practice medicine and surgery therein whose practice extends into the limits of this State: Provided, That such practitioner shall not open an office, or appoint a place to meet patients or

receive calls, within the limits of Pennsylvania, or physicians duly registered in one county of this State called to attend cases in another county but not residing or opening an office therein. And nothing in this act shall be construed to prohibit the practice of medicine and surgery within this Commonwealth by any practitioner who shall have been duly registered before the first day of March, Anno Domini one thousand eight hundred and ninety-four, according to the terms of the act entitled "An act to provide for the registration of all practitioners of medicine and surgery," approved the eighth day of June, Anno Domini one thousand eight hundred and eighty-one, and one such registry shall be sufficient warrant to practice medicine and surgery in any county in this Commonwealth.

Sec. 16. The sum of two thousand dollars is hereby appropriated out of any moneys in the State Treasury, not otherwise appropriated, for the salary of the secretary and treasurer of said medical council and the necessary expenses of said council, one thousand dollars thereof for the year beginning January one, one thousand eight hundred and ninety-four, and one thousand dollars thereof for the year beginning January one, one thousand eight hundred and ninety-five.

Sec. 17. All acts or parts of acts of Assembly inconsistent herewith shall be and are hereby repealed.

Approved—The 18th day of May, A. D. 1893.

Dr. Massey's Private Sanatorium, Torresdale, Philadelphia.

This institution, a private sanatorium under the immediate care of DR. G. BETTON MASSEY, is thoroughly equipped for the scientific application of Electricity in Gynæcology and Diseases of the Nervous System in both sexes. Particular attention is paid to Uterine and Pelvic Inflammatory conditions, Fibroid and other Tumors, Neurasthenia, and various curable organic Hypertrophies and Nervous Disorders. For particulars address,

DR. G. BETTON MASSEY,
1636 Walnut Street, - PHILADELPHIA, Pa.

Grand View Sanatorium

(THE PIONEER ON THE SOUTH MOUNTAINS.)

WERNERSVILLE, PA.

WERNERSVILLE

Has a well-earned reputation as a health resort, and this popular Sanatorium dates back in its history to 1847, which makes it one of the oldest in America, and yet withal one of the newest, for it constantly keeps pace with the times, and the hand of improvement is never idle.

We have here many natural advantages in the way of most beautiful and extended scenery, a salubrious climate, the air being dry and bracing compared to that of Colorado, excellent, pure, sparkling spring water flowing from the noted Pavilion Spring on our grounds. This water is the purest, by chemical analysis, on record, even purer than the celebrated Poland Spring water. Diseases of the stomach, liver and kidneys have been greatly benefited and cured by our waters. We also have and utilize a fine medicinal chalybeate spring on the place. Sudden great changes in temperature are unknown here, and the locality is well adapted for both summer and winter residence. The house is heated by steam and open grates, is well ventilated, protected against fire by fire hose, fire escapes, fire extinguishers, night watchman, etc. We have the modern facilities and conveniences for the administration of electricity, baths, such as Turkish, Russian, Electro-Vapor, Electro-Medicated, etc., as well as ample facilities for water treatment. Thoroughly educated and trained masseur and masseuses constantly in attendance. Medicines used if plainly indicated.

A fine chapel is on the grounds. For amusement and exercise, we have a fine gymnasium, pool room, ten pin alley, croquet, lawn tennis, etc., besides fine walks and drives. Telegraph and telephone connections, United States Express to all points, mail to and from the house three times a day, nine trains daily each way. Magazines, Reading, Philadelphia and New York papers supply the house. We are nine miles from the city of Reading with its 85,000 inhabitants, now a city of the first-class, one and one-half hours from Harrisburg, the State capital, two and a quarter hours from Philadelphia, four and a quarter hours from New York City, six hours from Baltimore, Md., and seven hours from Washington, our National Capital.

The Cuisine is in competent hands, and everything in season is tastily and palatably prepared for the table.

No insane, epileptic or advanced consumptive patients received.

For descriptive pamphlet and further particulars, address the proprietors,

DRS. WENRICH & DEPPEN.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

TERRACE BANK

DR. R. S. SUTTON'S Private Sanitorium
for Women.

This is one of the Largest and Best Equipped Private Hospitals in the Country.

1. This Institution is located on high ground, overlooking the Ohio River, at a point in Allegheny City, opposite to and in full view of Pittsburg, Pa.
2. The number of Patients taken is limited to twenty-five.
3. No lying-in cases, or cases of infectious disease are received.
4. The Institution is a quiet and elegant home with the provisions of a Sanitorium.
5. Only competent nurses are employed.
6. As far as practicable, patients are requested to present letters of introduction from their attending physicians.
7. The Institution is especially adapted for the Medical and Surgical Treatment of Invalid women.

TERMS:

Room, Board, Light, Fuel, Drugs and Nursing \$25 Per Week, Payable Weekly to the Matron.

FOR FURTHER INFORMATION, ADDRESS

THE MATRON,
170 Ridge Ave., Allegheny, Pa.

OR,

DR. SUTTON,
515 Penn Ave., Pittsburg, Pa.

Dr. Savage-Physical-Development Institute- LIMITED.

308 AND 310 WEST 59TH STREET,
NEW YORK CITY.

DEAR DOCTOR:

Replying to your letter of yesterday, permit me to say:

1st. We do not prescribe drugs for patients without the consent of the physician referring the case to us.

2nd. We do regulate the diet, dress, sleep and living habits of patients when necessary.

3rd. We do prescribe the exact kind and amount of exercise both active and passive each day, and herein, we claim, lies our greatest success. Drugs can be prescribed by regulation dose, but exercise for the sick never, as what would be just enough one day would fatigue another, therefore only by experienced eyes and constant personal observation can the amount of exercise be properly adjusted each day. Dr. Savage and his trained assistants thus watch over all the medical cases. To over-train or exercise is as bad as none at all.

4th. The cost of such care is from two to three dollars per treatment, including all attendance and massage.

5th. The kind of cases most frequently referred to us and with satisfactory results are as follows:

The fat to lose weight and the thin to gain. Scoliosis, Stoop Shoulders and Hollow Chests. Neurasthenia, Nervous Exhaustion, Chorea, Paralysis, Locomotor Ataxia, Delayed Mental and Physical Development. Chronic Constipation and Intestinal Disorders. Cardiac Disorders, Aenemia, Dysmenorrhoea and Amenorrhoea. Undeveloped Lungs with Hereditary History without acute symptoms. Convalescing patients both Medical and Surgical. Lastly, cases that do not yield to any other treatment.

We prefer cases sent to the Institute but can give treatments at home. Dr. Savage will be pleased to meet appointments with physicians regarding cases needing such treatment.

Thanking you for your past patronage and hoping to hear from you regarding your patient,

We remain, Respectfully Yours,

W. L. SAVAGE, Medical Director.

P. S. Owing to the very gratifying results obtained at Dr. Savage's Summer Training Resort for business men during the season just passed, he has decided to increase the capacity and re-open June 1st, '96. For particulars address, DR. W. L. SAVAGE, 308 W. 59th St.

Address September
to June

Dr. Watson L. Savage,

308 W. 59th Street, NEW YORK CITY.

June to September, Cromwell-on-the-Connecticut, Conn.

DR. J. S. HODGE'S Surgical Institute and Sanatorium.

A 35 Room Modern and Complete Institution for the Treatment of All
Surgical Diseases and of Nervous Patients not Requiring Forced Restraint.

THE building is situated on Raymond Avenue and Green Street, and overlooks the beautiful Hotel Green Park. The rooms are all entitled to sunlight, and are newly and beautifully furnished with brass and iron brass-trimmed beds, the best of moss mattresses, all-wool blankets, fine feather pillows, dressers, commodes, tables, easy chairs and rugs, the cuisine is the very best, gas heating, gas and electric conveniences throughout the building. Patients requiring private nurses can be assigned large and elegant alcove rooms with skilled attendants. The success of this Institution commends it to the profession and public, who are especially invited to investigate the management and appointments of the building, which fully comprehends, in the various departments, thorough ventilation, hygiene and asepsis.

References in all Eastern Cities Upon Application.

The postoffice address is shown in Display Type, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in **Display Type**, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in **Display Type**, the name of county in which it is located immediately follows, and then the population of the place. The names of Physicians appear under the postoffice name, the first number (the key to which will be found on pages 101 to 120) indicates the college of graduation, and the last number the year in which diploma was granted.
